(~~cc~~) (d) Notwithstanding section 2 of this chapter, if the county council adopts an ordinance under subsection (~~bb~~) (c), the county council may impose the county adjusted gross income tax at a rate of one and one-tenth percent (1.1%) on adjusted gross income for fiscal years beginning before July 1, 2011. However, a county may impose the county adjusted gross income tax at a rate of one and one-tenth percent (1.1%) for only eight (8) years. For fiscal years beginning after the county has imposed the county adjusted gross income tax at a rate of one and one-tenth percent (1.1%) for eight (8) years June 30, 2011, the rate is reduced to one percent (1%). If the county council imposes the county adjusted gross income tax at a rate of one and one-tenth percent (1.1%), the county council may decrease the rate or rescind the tax in the manner provided under this chapter.

(~~dd~~) (e) If a county imposes the county adjusted gross income tax at a rate of one and one-tenth percent (1.1%) under this section, the revenue derived from a tax rate of one-tenth percent (0.1%) on adjusted gross income:

- (1) shall be paid to the county treasurer;
- (2) may be used only to pay the costs of operating a jail and juvenile detention center opened after July 1, 1998; and
- (3) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5.

SECTION 6. IC 6-3.5-6-18, AS AMENDED BY P.L.207-2005, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18. (a) The revenue a county auditor receives under this chapter shall be used to:

- (1) replace the amount, if any, of property tax revenue lost due to the allowance of an increased homestead credit within the county;
- (2) fund the operation of a public communications system and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b);
- (3) fund the operation of a public transportation corporation as provided in an election, if any, made by the county fiscal body under IC 36-9-4-42;
- (4) make payments permitted under IC 36-7-15.1-17.5;
- (5) make payments permitted under subsection (i); ~~and~~
- (6) make distributions of distributive shares to the civil taxing units of a county; ~~and~~
- (7) make the distributions permitted under section 29 of this chapter.

(b) The county auditor shall retain from the payments of the county's certified distribution, an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. This money shall be distributed to the civil taxing units and school corporations of the county as though they were property tax collections and in such a manner that no civil taxing unit or school corporation shall suffer a net revenue loss due to the allowance of an increased homestead credit.

(c) The county auditor shall retain:

- (1) the amount, if any, specified by the county fiscal body for a particular calendar year under subsection (i), IC 36-7-15.1-17.5, IC 36-8-15-19(b), and IC 36-9-4-42 from the county's certified distribution for that same calendar year; ~~and~~

(2) the amount of an additional tax rate imposed under section 29 of this chapter.

The county auditor shall distribute amounts retained under this subsection to the county.

(d) All certified distribution revenues that are not retained and distributed under subsections (b) and (c) shall be distributed to the civil taxing units of the county as distributive shares.

(e) The amount of distributive shares that each civil taxing unit in a county is entitled to receive during a month equals the product of the following:

(1) The amount of revenue that is to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the allocation amount for the civil taxing unit for the calendar year in which the month falls. The denominator of the fraction equals the sum of the allocation amounts of all the civil taxing units of the county for the calendar year in which the month falls.

(f) The department of local government finance shall provide each county auditor with the fractional amount of distributive shares that each civil taxing unit in the auditor's county is entitled to receive monthly under this section.

(g) Notwithstanding subsection (e), if a civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which distributive shares are being distributed under this section, that civil taxing unit is entitled to receive a part of the revenue to be distributed as distributive shares under this section within the county. The fractional amount such a civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

(1) The amount to be distributed as distributive shares during that month; multiplied by

(2) A fraction. The numerator of the fraction equals the budget of that civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all civil taxing units of that county for that calendar year.

(h) If for a calendar year a civil taxing unit is allocated a part of a county's distributive shares by subsection (g), then the formula used in subsection (e) to determine all other civil taxing units' distributive shares shall be changed each month for that same year by reducing the amount to be distributed as distributive shares under subsection (e) by the amount of distributive shares allocated under subsection (g) for that same month. The department of local government finance shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

(i) Notwithstanding any other law, a county fiscal body may pledge revenues received under this chapter to the payment of bonds or lease rentals to finance a qualified economic development tax project under IC 36-7-27 in that county or in any other county if the county fiscal body determines that the project will promote significant opportunities for the gainful employment or retention of employment of the county's residents.

SECTION 7. IC 6-3.5-6-29 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 29. (a) This section applies only to Scott County. Scott County is a county in which:

(1) maintaining low property tax rates is essential to economic development; and

(2) the use of additional county option income tax revenues as provided in this section, rather than the use of property taxes, to fund:

(A) the financing, construction, acquisition, improvement, renovation, equipping, operation, or maintenance of jail facilities; and

(B) the repayment of bonds issued or leases entered into for the purposes described in clause (A), except operation or maintenance;

promotes the purpose of maintaining low property tax rates.

(b) The county fiscal body may impose the county option income tax on the adjusted gross income of resident county taxpayers at a rate, in addition to the rates permitted by sections 8 and 9 of this chapter, not to exceed twenty-five hundredths percent (0.25%). Section 8(e) of this chapter applies to the application of the additional rate to nonresident taxpayers.

(c) To impose the county option income tax as provided in this section, the county fiscal body must adopt an ordinance finding and determining that additional revenues from the county option income tax are needed in the county to fund:

(1) the financing, construction, acquisition, improvement, renovation, equipping, operation, or maintenance of jail facilities; and

(2) the repayment of bonds issued or leases entered into for the purposes described in subdivision (1), except operation or maintenance.

(d) If the county fiscal body makes a determination under subsection (c), the county fiscal body may adopt an additional tax rate under subsection (b). Subject to the limitations in subsection (b), the county fiscal body may amend an ordinance adopted under this section to increase, decrease, or rescind the additional tax rate imposed under this section. As soon as practicable after the adoption of an ordinance under this section, the county fiscal body shall send a certified copy of the ordinance to the county auditor, the department of local government finance, and the department. An ordinance adopted under this section before June 1, 2006, or April 1 in a subsequent year applies to the imposition of county income taxes after June 30 in that year. An ordinance adopted under this section after May 31, 2006, or March 31 of a subsequent year initially applies to the imposition of county option income taxes after June 30 of the immediately following year.

(e) If the county imposes an additional tax rate under this section, the county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 18 of this chapter.

(f) County option income tax revenues derived from an additional tax rate imposed under this section:

(1) may be used only for the purposes described in this section;

(2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and

(3) may be pledged for the repayment of bonds issued or leases entered into to fund the purposes described in subsection (c)(1), except operation or maintenance.

(g) If the county imposes an additional tax rate under this section, the department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of the county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts the increased tax rate and in each calendar year thereafter. The department shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

SECTION 8. IC 6-3.5-7-5, AS AMENDED BY P.L.214-2005, SECTION 20, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) Except as provided in subsection (c), the county economic development income tax may be imposed on the adjusted gross income of county taxpayers. The entity that may impose the tax is:

~~(a)~~ **(b)** The fiscal body of a county may adopt an ordinance to authorize the county fiscal officer to borrow money repayable over a term not to exceed five (5) years in an amount sufficient to compensate the political subdivisions located wholly or in part in the county for the reduction of property tax collections in a calendar year that results from the application of the credit under this chapter for that calendar year.

~~(f)~~ **(g)** The application of the credit under this chapter results in a reduction of the property tax collections of each political subdivision in which the credit is applied. A political subdivision may not increase its property tax levy to make up for that reduction.

(h) The county auditor shall in each calendar year notify each political subdivision in which the credit under this chapter is applied of the reduction referred to in subsection (b) for the political subdivision for that year.

SECTION 13. IC 6-1.1-20.6-9.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 9.5. **(a) This section applies only to credits under this chapter against property taxes first due and payable after December 31, 2006.**

However, the percentage credit allowed in a particular county for a particular year shall be increased if on January 1 of a year an ordinance adopted by a county income tax council was in effect in the county which increased the homestead credit. The amount of the increase equals the amount designated in the ordinance.

(1) "Home energy" means electricity, oil, gas, coal, propane, or any other fuel for use as the principal source of heating or cooling in residential dwellings.

(2) "Home energy assistance" means programs administered by the state to supply home energy through the Low Income Home Energy Assistance Block Grant under 42 U.S.C. 8261 et seq.

(b) Transactions involving home energy are exempt from the state gross retail tax if the person acquiring the home energy acquires it after June 30, 2006, and before July 1, 2007, through home energy assistance.

SECTION 23. IC 6-2.5-6-9 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2007]: **Sec. 9. (a) In determining the amount of state gross retail and use taxes which a retail merchant must remit under section 7 of this chapter, the retail merchant shall, subject to subsections (c) and (d), deduct from the retail merchant's gross retail income from retail transactions made during a particular reporting period, an amount equal to the retail merchant's receivables which:**

- (1) resulted from retail transactions in which the retail merchant did not collect the state gross retail or use tax from the**

purchaser;

(2) resulted from retail transactions on which the retail merchant has previously paid the state gross retail or use tax liability to the department; and

(3) were written off as an uncollectible debt for federal tax purposes under Section 166 of the Internal Revenue Code during the particular reporting period.

(b) If a retail merchant deducts a receivable under subsection (a) and subsequently collects all or part of that receivable, then the retail merchant shall, subject to subsection (d)(6), include the amount collected as part of the retail merchant's gross retail income from retail transactions for the particular reporting period in which the retail merchant makes the collection.

(c) This subsection applies only to retail transactions occurring after June 30, 2004, December 31, 2006. As used in this subsection, "affiliated group" means any combination of the following:

(1) An affiliated group within the meaning provided in Section 1504 of the Internal Revenue Code, except that the ownership percentage in Section 1504(a)(2) of the Internal Revenue Code shall be determined using fifty percent (50%) instead of eighty percent (80%).

(2) Two (2) or more partnerships (as defined in IC 6-3-1-19), including limited liability companies and limited liability partnerships, that have the same degree of mutual ownership as an affiliated group described in subdivision (1), as determined under the rules adopted by the department.

The right to a deduction under this section is **not** assignable ~~only if the retail merchant that paid the state gross retail or use tax liability assigned the right to the deduction in writing: to an individual or entity that is not part of the same affiliated group as the assignor.~~

(d) The following provisions apply to a deduction for a receivable treated as uncollectible debt under subsection (a):

(1) The deduction does not include interest.

(2) The amount of the deduction shall be determined in the manner provided by Section 166 of the Internal Revenue Code for bad debts but shall be adjusted to exclude:

- (A) financing charges or interest;**
- (B) sales or use taxes charged on the purchase price;**
- (C) uncollectible amounts on property that remain in the possession of the seller until the full purchase price is paid;**
- (D) expenses incurred in attempting to collect any debt; and**
- (E) repossessed property.**

(3) The deduction shall be claimed on the return for the period during which the receivable is written off as uncollectible in the claimant's books and records and is eligible to be deducted for federal income tax purposes. For purposes of this subdivision, a claimant who is not required to file federal income tax returns may deduct an uncollectible receivable on a return filed for the period in which the receivable is written off as uncollectible in the claimant's books and records and would be eligible for a bad debt deduction for federal income tax purposes if the claimant were required to file a federal income tax return.

(4) If the amount of uncollectible receivables claimed as a deduction by a retail merchant for a particular reporting period exceeds the amount of the retail merchant's taxable sales for that reporting period, the retail merchant may file a refund claim under IC 6-8.1-9. However, the deadline for the refund claim shall be measured from the due date of the return for the reporting period on which the deduction for the uncollectible receivables could first be claimed.

(5) If a retail merchant's filing responsibilities have been assumed by a certified service provider (as defined in IC 6-2.5-11-2), the certified service provider may claim, on behalf of the retail merchant, any deduction or refund for uncollectible receivables provided by this section. The certified service provider must credit or refund the full amount of any deduction or refund received to the retail merchant.

(6) For purposes of reporting a payment received on a previously claimed uncollectible receivable, any payments made on a debt or account shall be applied first proportionally to the taxable price of the property and the state gross retail tax or use tax thereon, and secondly to interest, service charges, and any

other charges.

(7) A retail merchant claiming a deduction for an uncollectible receivable may allocate that receivable among the states that are members of the streamlined sales and use tax agreement if the books and records of the retail merchant support that allocation.

SECTION 24. IC 6-3-1-3.5, AS AMENDED BY P.L.246-2005, SECTION 69, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 3.5. When used in this article, the term "adjusted gross income" shall mean the following:

(14) In the case of an individual who is a recipient of assistance under IC 12-10-6-1, IC 12-10-6-2.1, IC 12-15-2-2, or IC 12-15-7, subtract an amount equal to that portion of the individual's adjusted gross income with respect to which the individual is not allowed under federal law to retain an amount to pay state and local income taxes.

(9) Add to the extent required by IC 6-3-2-20 the amount of intangible expenses (as defined in IC 6-3-2-20) and any directly related intangible interest expenses (as defined in IC 6-3-2-20) for the taxable year that reduced the corporation's taxable income (as defined in Section 63 of the Internal Revenue Code) for federal income tax purposes.

(8) Add an amount equal to the amount that a taxpayer claimed as a deduction for domestic production activities for the taxable year under Section 199 of the Internal Revenue Code for federal income tax purposes.

(8) Add an amount equal to the amount that a taxpayer claimed as a deduction for domestic production activities for the taxable year under Section 199 of the Internal Revenue Code for federal income tax purposes.

STEP ONE: Determine the amount of property taxes that the taxpayer paid after December 31, 2003, in the taxable year for property taxes imposed for the March 1, 2002, assessment date and the January 15, 2003, assessment date.

STEP TWO: Determine the amount of property taxes that the taxpayer paid in the taxable year for the March 1, 2003, assessment date and the January 15, 2004, assessment date.

SECTION 25. IC 6-3-2-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2007]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

- (1) income from real or tangible personal property located in this state;
- (2) income from doing business in this state;
- (3) income from a trade or profession conducted in this state;
- (4) compensation for labor or services rendered within this state; and
- (5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property if the receipt from the intangible is attributable to Indiana under section 2.2 of this chapter.

In the case of nonbusiness income described in subsection (g), only so much of such income as is allocated to this state under the provisions of subsections (h) through (k) shall be deemed to be derived from sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter) only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.

(b) Except as provided in subsection (l), if business income of a corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, ~~then the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by a fraction the numerator of which is the property factor plus the payroll factor plus the sales factor; and the denominator of which is three (3). However, after a period of two (2) consecutive quarters of income growth and one (1) additional quarter (regardless of any income growth); the fraction shall be computed as follows: the following:~~

(1) For all taxable years that begin ~~within the first calendar year immediately following the period; after December 31, 2006, and before January 1, 2008, a fraction. The:~~

(A) numerator of the fraction is the sum of the property factor plus the payroll factor plus ~~one hundred thirty-three percent (133%) the product of the sales factor multiplied by three (3); and the~~

(B) denominator of the fraction is ~~three and thirty-three hundredths (3.33); five (5).~~

(2) For all taxable years that begin ~~within the second calendar year following the period; after December 31, 2007, and before January 1, 2009, a fraction. The:~~

(A) numerator of the fraction is the property factor plus the payroll factor plus ~~one hundred sixty-seven percent (167%) the product of the sales factor multiplied by four and sixty-seven hundredths (4.67); and the~~

(B) denominator of the fraction is ~~three six and sixty-seven hundredths (3.67); (6.67).~~

(3) For all taxable years beginning ~~on or after January 1 of the third calendar year following the period; December 31, 2008, and before January 1, 2010, a fraction. The:~~

(A) numerator of the fraction is the property factor plus the payroll factor plus ~~two hundred percent (200%) the product of the sales factor multiplied by eight (8); and the~~

(B) denominator of the fraction is ~~four (4); ten (10).~~

(4) For all taxable years beginning ~~after December 31, 2009, and before January 1, 2011, a fraction. The:~~

(A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eighteen (18); and

(B) denominator of the fraction is twenty (20).

(5) For all taxable years beginning ~~after December 31, 2010, the sales factor.~~

For purposes of this subsection, income growth occurs when the state's nonfarm personal income for a calendar quarter increases in comparison with the state's nonfarm personal income for the immediately preceding quarter at an annualized compound rate of five percent (5%) or more; as determined by the budget agency based on current dollar figures provided by the Bureau of Economic Analysis of the United States Department of Commerce or its successor agency. The annualized compound rate shall be computed in accordance with the formula $(1+N)^4 - 1$, where N equals the percentage change in the state's current dollar nonfarm personal income from one (1) quarter to the next. As soon as possible after two (2) consecutive quarters of income growth, the budget agency shall advise the department of the growth.

(c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The average of property shall be determined by averaging the values at the beginning and ending of the taxable year, but the department may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the taxpayer's property.

(d) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year. However, with respect to a foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:

- (1) the individual's service is performed entirely within the state;
- (2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or
- (3) some of the service is performed in this state and:

(A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or

(B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of this state.

(e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere

during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However, with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to Indiana under section 2.2 of this chapter. **Regardless of the f.o.b. point or other conditions of the sale,** sales of tangible personal property are in this state if:

(1) the property is delivered or shipped to a purchaser **that is within Indiana,** other than the United States government; ~~within this state, regardless of the f.o.b. point or other conditions of the sale;~~ or

(2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in this state and:

(A) the purchaser is the United States government; or

(B) the taxpayer is not taxable in the state of the purchaser.

Gross receipts derived from commercial printing as described in IC 6-2.5-1-10 shall be treated as sales of tangible personal property for purposes of this chapter.

(f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state if:

(1) the income-producing activity is performed in this state; or
(2) the income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(g) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (h) through (k).

(h)(1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocated to this state:

(i) if and to the extent that the property is utilized in this state; or

(ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year, and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:

(i) the property had a situs in this state at the time of the sale; or

(ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(k)(1) Patent and copyright royalties are allocable to this state:

(i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or

(ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing

in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(l) If the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(1) separate accounting;

(2) **for a taxable year beginning before January 1, 2011,** the exclusion of any one (1) or more of the factors, **except the sales factor;**

(3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or

(4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.

(n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:

(1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or

(2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:

(1) a foreign corporation; or

(2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.

(p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer and another entity not described in subsection (o)(1) or (o)(2) be reported in a combined income tax return for any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

(q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for permission to file a combined income tax return for a taxable year. The petition to file a combined income tax return must be completed and filed with the department not more than thirty (30) days after the end of the taxpayer's taxable year. **A taxpayer filing a combined income tax return must petition the department within thirty (30) days after the end of the taxpayer's taxable year to discontinue filing a combined income tax return.**

(r) This subsection applies to a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code. The corporation's adjusted gross income that is derived from sources within Indiana is determined by multiplying the corporation's adjusted gross income by a fraction:

(1) the numerator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks in the state; and

(2) the denominator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks everywhere.

The term "direct premiums and annuity considerations" means the gross premiums received from direct business as reported in the corporation's annual statement filed with the department of insurance.

(A) the recipient regularly engages in transactions involving intangible property with one (1) or more unrelated parties on terms substantially similar to those of the subject transaction; and

(B) the transaction giving rise to the intangible expenses and any directly related intangible interest expenses between the taxpayer and the recipient did not have Indiana tax avoidance as a principal purpose.

(4) The taxpayer makes a disclosure and, at the request of the department, can establish by a preponderance of the evidence that:

(A) the payment was received from a person or entity that is an unrelated party, and on behalf of that unrelated party, paid that amount to the recipient in an arm's length transaction; and

(B) the transaction giving rise to the intangible expenses and any directly related intangible interest expenses between the taxpayer and the recipient did not have Indiana tax avoidance as a principal purpose.

(5) The taxpayer makes a disclosure and, at the request of the department, can establish by a preponderance of the evidence that:

(B) the transactions giving rise to the intangible expenses and any directly related intangible interest expenses

between the taxpayer and the recipient did not have Indiana tax avoidance as a principal purpose.

(6) The taxpayer makes a disclosure and, at the request of the department, can establish by a preponderance of the evidence that:

(A) the recipient is engaged in:

(i) substantial business activities from the acquisition, use, licensing, maintenance, management, ownership, sale, exchange, or any other disposition of intangible property; or

(8) Upon request by the taxpayer, the department determines that the adjustment otherwise required by this section is unreasonable.

(d) For purposes of this section, intangible expenses or directly related intangible interest expenses shall be considered to be at a commercially reasonable rate or at terms comparable to an arm's length transaction if the intangible expenses or directly related intangible interest expenses meet the arm's length standards of United States Treasury Regulation 1.482-1(b).

(e) If intangible expenses or directly related intangible expenses are determined not to be at a commercially reasonable rate or at terms comparable to an arm's length transaction for purposes of this section, the adjustment required by subsection (b) shall be made only to the extent necessary to cause the intangible expenses or directly related intangible interest expenses to be at a commercially reasonable rate and at terms comparable to an arm's length transaction.

(f) For purposes of this section, transactions giving rise to intangible expenses and any directly related intangible interest expenses between the taxpayer and the recipient shall be considered as having Indiana tax avoidance as the principal purpose if:

(1) there is not one (1) or more valid business purposes that independently sustain the transaction notwithstanding any tax benefits associated with the transaction; and

(2) the principal purpose of tax avoidance exceeds any other valid business purpose.

SECTION 27. IC 6-3.5-1.1-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) The county council of any county in which the county option income tax will not be in effect on July 1 of a year under an ordinance adopted during a previous calendar year may impose the county adjusted gross income tax on the adjusted gross income of county taxpayers of its county effective July 1 of that year.

(b) Except as provided in section 2.3, 2.5, 2.7, 2.8, 2.9, 3.3, 3.5, or 3.6 of this chapter, the county adjusted gross income tax may be imposed at a rate of one-half of one percent (0.5%), three-fourths of one percent (0.75%), or one percent (1%) on the adjusted gross income of resident county taxpayers of the county. Any county imposing the county adjusted gross income tax must impose the tax on the nonresident county taxpayers at a rate of one-fourth of one percent (0.25%) on their adjusted gross income. If the county council elects to decrease the county adjusted gross income tax, the county council may decrease the county adjusted gross income tax rate in increments of one-tenth of one percent (0.1%).

(c) To impose the county adjusted gross income tax, the county council must, after January 1 but before April 1 of a year, adopt an ordinance. The ordinance must substantially state the following:

"The _____ County Council imposes the county adjusted gross income tax on the county taxpayers of _____ County. The county adjusted gross income tax is imposed at a rate of _____ percent (____%) on the resident county taxpayers of the county and one-fourth of one percent (0.25%) on the nonresident county taxpayers of the county. This tax takes effect July 1 of this year."

(d) Any ordinance adopted under this section takes effect July 1 of the year the ordinance is adopted.

(e) The auditor of a county shall record all votes taken on ordinances presented for a vote under the authority of this section and immediately send a certified copy of the results to the department by certified mail.

(f) If the county adjusted gross income tax had previously been adopted by a county under IC 6-3.5-1 (before its repeal on March 15, 1983) and that tax was in effect at the time of the enactment of this chapter, then the county adjusted gross income tax continues in that county at the rates in effect at the time of enactment until the rates are modified or the tax is rescinded in the manner prescribed by this chapter. If a county's adjusted gross income tax is continued under this subsection, then the tax shall be treated as if it had been imposed under this chapter and is subject to rescission or reduction as authorized in this chapter.

SECTION 28. IC 6-3.5-1.1-2.3 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2.3. (a) This section applies to Jasper County.

(b) The county council may, by ordinance, determine that additional county adjusted gross income tax revenue is needed in the county to:

(1) finance, construct, acquire, improve, renovate, or equip:

(A) jail facilities;

(B) juvenile court, detention, and probation facilities;

(C) other criminal justice facilities; and

(D) related buildings and parking facilities;

located in the county, including costs related to the demolition of existing buildings and the acquisition of land; and

(c) The county council may, by ordinance, determine that additional county adjusted gross income tax revenue is needed in the county to operate or maintain any of the facilities described in subsection (b)(1)(A) through (b)(1)(D) that are located in the county. The county council may make a determination under both this subsection and subsection (b).

(d) In addition to the rates permitted by section 2 of this chapter, the county council may impose the county adjusted gross income tax at a rate of:

(1) fifteen-hundredths percent (0.15%);

(2) two-tenths percent (0.2%); or

(3) twenty-five hundredths percent (0.25%);

on the adjusted gross income of county taxpayers if the county council makes a finding and determination set forth in subsection (b) or (c).

(e) If the county council imposes the tax under this section to pay for the purposes described in both subsections (b) and (c), when:

(1) the financing, construction, acquisition, improvement, renovation, and equipping described in subsection (b) are completed; and

(2) all bonds issued or leases entered into to finance the construction, acquisition, improvement, renovation, and equipping described in subsection (b) are fully paid;

the county council shall, subject to subsection (d), establish a tax rate under this section by ordinance such that the revenue from the tax does not exceed the costs of operating and maintaining the jail facilities described in subsection (b)(1)(A). The tax rate may not be imposed at a rate greater than is necessary to carry out the purposes described in subsections (b) and (c), as applicable.

(f) An ordinance adopted under this section before June 1, 2006, or April 1 in a subsequent year applies to the imposition of county income taxes after June 30 in that year. An ordinance

adopted under this section after May 31, 2006, and March 31 of a subsequent year initially applies to the imposition of county option income taxes after June 30 of the immediately following year.

(g) The tax imposed under this section may be imposed only until the latest of the following:

(1) The date on which the financing, construction, acquisition, improvement, renovation, and equipping described in subsection (b) are completed.

(2) The date on which the last of any bonds issued or leases entered into to finance the construction, acquisition, improvement, renovation, and equipping described in subsection (b) are fully paid.

(3) The date on which an ordinance adopted under subsection (c) is rescinded.

(h) The term of the bonds issued (including any refunding bonds) or a lease entered into under subsection (b)(2) may not exceed twenty (20) years.

(i) The county treasurer shall establish a criminal justice facilities revenue fund to be used only for purposes described in this section. County adjusted gross income tax revenues derived from the tax rate imposed under this section shall be deposited in the criminal justice facilities revenue fund before making a certified distribution under section 11 of this chapter.

(j) County adjusted gross income tax revenues derived from the tax rate imposed under this section:

(1) may be used only for the purposes described in this section;

(2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and

(3) may be pledged to the repayment of bonds issued or leases entered into for any or all the purposes described in subsection (b).

(k) Notwithstanding any other law, money remaining in the criminal justice facilities revenue fund established under subsection (i) after the tax imposed by this section is terminated under subsection (f) shall be transferred to the county highway fund to be used for construction, resurfacing, restoration, and rehabilitation of county highways, roads, and bridges.

SECTION 29. IC 6-3.5-1.1-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) Except as provided in subsection (b), one-half (½) of each adopting county's certified distribution for a calendar year shall be distributed from its account established under section 8 of this chapter to the appropriate county treasurer on May 1 and the other one-half (½) on November 1 of that calendar year.

(b) This subsection applies to a county having a population of more than one hundred forty-five thousand (145,000) but less than one hundred forty-eight thousand (148,000). Notwithstanding section 9 of this chapter, the initial certified distribution certified for a county under section 9 of this chapter shall be distributed to the county treasurer from the account established for the county under section 8 of this chapter according to the following schedule during the eighteen (18) month period beginning on July 1 of the year in which the county initially adopts an ordinance under section 2 of this chapter:

(1) One-fourth (1/4) on October 1 of the year in which the ordinance was adopted.

(2) One-fourth (1/4) on January 1 of the calendar year following the year in which the ordinance was adopted.

(3) One-fourth (1/4) on May 1 of the calendar year following the year in which the ordinance was adopted.

(4) One-fourth (1/4) on November 1 of the calendar year following the year in which the ordinance was adopted.

Notwithstanding section 11 of this chapter, the part of the certified distribution received under subdivision (1) that would otherwise be allocated to a civil taxing unit or school corporation as property tax replacement credits under section 11 of this chapter shall be set aside and treated for the calendar year when received by the civil taxing unit or school corporation as a levy excess subject to IC 6-1.1-18.5-17 or IC 6-1.1-19-1.7. Certified distributions made to the county treasurer for calendar years following the eighteen (18) month period

described in this subsection shall be made as provided in subsection (a).

(c) Except for:

(1) revenue that must be used to pay the costs of:

(A) financing, constructing, acquiring, improving, renovating, equipping, operating, or maintaining facilities and buildings;

(B) debt service on bonds; or

(C) lease rentals;

under section 2.3 of this chapter;

(2) revenue that must be used to pay the costs of operating a jail and juvenile detention center under section 2.5(d) of this chapter;

(3) revenue that must be used to pay the costs of:

(A) financing, constructing, acquiring, improving, renovating, or equipping facilities and buildings;

(B) debt service on bonds; or

(C) lease rentals;

(5) revenue that must be used to pay the costs of operating and maintaining a jail and justice center under section 3.5(d) of this chapter; or

(6) revenue that must be used to pay the costs of constructing, acquiring, improving, renovating, or equipping a county courthouse under section 3.6 of this chapter;

distributions made to a county treasurer under subsections (a) and (b) shall be treated as though they were property taxes that were due and payable during that same calendar year. Except as provided by subsection (b), the certified distribution shall be distributed and used by the taxing units and school corporations as provided in sections 11 through 15 of this chapter.

(d) All distributions from an account established under section 8 of this chapter shall be made by warrants issued by the auditor of the state to the treasurer of the state ordering the appropriate payments.

SECTION 30. IC 6-3.5-1.1-11 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 11. (a) Except for:

(1) revenue that must be used to pay the costs of:

(A) financing, constructing, acquiring, improving, renovating, equipping, operating, or maintaining facilities and buildings;

(B) debt service on bonds; or

(C) lease rentals;

under section 2.3 of this chapter;

(6) revenue that must be used to pay the costs of constructing, acquiring, improving, renovating, or equipping a county courthouse under section 3.6 of this chapter;

the certified distribution received by a county treasurer shall, in the manner prescribed in this section, be allocated, distributed, and used by the civil taxing units and school corporations of the county as certified shares and property tax replacement credits.

(b) Before August 10 of each calendar year, each county auditor shall determine the part of the certified distribution for the next

succeeding calendar year that will be allocated as property tax replacement credits and the part that will be allocated as certified shares. The percentage of a certified distribution that will be allocated as property tax replacement credits or as certified shares depends upon the county adjusted gross income tax rate for resident county taxpayers in effect on August 1 of the calendar year that precedes the year in which the certified distribution will be received by two (2) years. The percentages are set forth in the following table:

COUNTY ADJUSTED GROSS INCOME TAX RATE	PROPERTY TAX REPLACEMENT CREDITS	CERTIFIED SHARES
0.5%	50%	50%
0.75%	33 1/3%	66 2/3%
1%	25%	75%

(c) The part of a certified distribution that constitutes property tax replacement credits shall be distributed as provided under sections 12, 13, and 14 of this chapter.

(d) The part of a certified distribution that constitutes certified shares shall be distributed as provided by section 15 of this chapter.

SECTION 31. IC 6-3.5-6-18, AS AMENDED BY P.L.207-2005, SECTION 8, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18. (a) The revenue a county auditor receives under this chapter shall be used to:

- (1) replace the amount, if any, of property tax revenue lost due to the allowance of an increased homestead credit within the county;
- (2) fund the operation of a public communications system and computer facilities district as provided in an election, if any, made by the county fiscal body under IC 36-8-15-19(b);
- (3) fund the operation of a public transportation corporation as provided in an election, if any, made by the county fiscal body under IC 36-9-4-42;
- (4) make payments permitted under IC 36-7-15.1-17.5;
- (5) make payments permitted under subsection (i); ~~and~~
- (6) make distributions of distributive shares to the civil taxing units of a county; **and**
- (7) make the distributions permitted under sections 27, 28, and 29 of this chapter.**

(b) The county auditor shall retain from the payments of the county's certified distribution, an amount equal to the revenue lost, if any, due to the increase of the homestead credit within the county. This money shall be distributed to the civil taxing units and school corporations of the county as though they were property tax collections and in such a manner that no civil taxing unit or school corporation shall suffer a net revenue loss due to the allowance of an increased homestead credit.

(c) The county auditor shall retain:

- (1) the amount, if any, specified by the county fiscal body for a particular calendar year under subsection (i), IC 36-7-15.1-17.5, IC 36-8-15-19(b), and IC 36-9-4-42 from the county's certified distribution for that same calendar year; **and**
- (2) the amount of an additional tax rate imposed under section 27, 28, or 29 of this chapter.**

The county auditor shall distribute amounts retained under this subsection to the county.

(d) All certified distribution revenues that are not retained and distributed under subsections (b) and (c) shall be distributed to the civil taxing units of the county as distributive shares.

(e) The amount of distributive shares that each civil taxing unit in a county is entitled to receive during a month equals the product of the following:

- (1) The amount of revenue that is to be distributed as distributive shares during that month; multiplied by
- (2) A fraction. The numerator of the fraction equals the allocation amount for the civil taxing unit for the calendar year in which the month falls. The denominator of the fraction equals the sum of the allocation amounts of all the civil taxing units of the county for the calendar year in which the month falls.

(f) The department of local government finance shall provide each county auditor with the fractional amount of distributive shares that each civil taxing unit in the auditor's county is entitled to receive monthly under this section.

(g) Notwithstanding subsection (e), if a civil taxing unit of an adopting county does not impose a property tax levy that is first due and payable in a calendar year in which distributive shares are being distributed under this section, that civil taxing unit is entitled to receive a part of the revenue to be distributed as distributive shares under this section within the county. The fractional amount such a civil taxing unit is entitled to receive each month during that calendar year equals the product of the following:

- (1) The amount to be distributed as distributive shares during that month; multiplied by
- (2) A fraction. The numerator of the fraction equals the budget of that civil taxing unit for that calendar year. The denominator of the fraction equals the aggregate budgets of all civil taxing units of that county for that calendar year.

(h) If for a calendar year a civil taxing unit is allocated a part of a county's distributive shares by subsection (g), then the formula used in subsection (e) to determine all other civil taxing units' distributive shares shall be changed each month for that same year by reducing the amount to be distributed as distributive shares under subsection (e) by the amount of distributive shares allocated under subsection (g) for that same month. The department of local government finance shall make any adjustments required by this subsection and provide them to the appropriate county auditors.

(i) Notwithstanding any other law, a county fiscal body may pledge revenues received under this chapter to the payment of bonds or lease rentals to finance a qualified economic development tax project under IC 36-7-27 in that county or in any other county if the county fiscal body determines that the project will promote significant opportunities for the gainful employment or retention of employment of the county's residents.

SECTION 32. IC 6-3.5-6-29 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 29. (a) **This section applies only to Scott County. Scott County is a county in which:**

- (1) **maintaining low property tax rates is essential to economic development; and**
- (2) **the use of additional county option income tax revenues as provided in this section, rather than the use of property taxes, to fund:**

(A) the financing, construction, acquisition, improvement, renovation, equipping, operation, or maintenance of jail facilities; and

(B) the repayment of bonds issued or leases entered into for the purposes described in clause (A), except operation or maintenance;

promotes the purpose of maintaining low property tax rates.

(b) The county fiscal body may impose the county option income tax on the adjusted gross income of resident county taxpayers at a rate, in addition to the rates permitted by sections 8 and 9 of this chapter, not to exceed twenty-five hundredths percent (0.25%). Section 8(e) of this chapter applies to the application of the additional rate to nonresident taxpayers.

(c) To impose the county option income tax as provided in this section, the county fiscal body must adopt an ordinance finding and determining that additional revenues from the county option income tax are needed in the county to fund:

(1) the financing, construction, acquisition, improvement, renovation, equipping, operation, or maintenance of jail facilities; and

(2) the repayment of bonds issued or leases entered into for the purposes described in subdivision (1), except operation or maintenance.

(d) If the county fiscal body makes a determination under subsection (c), the county fiscal body may adopt an additional tax rate under subsection (b). Subject to the limitations in subsection (b), the county fiscal body may amend an ordinance adopted under this section to increase, decrease, or rescind the additional tax rate imposed under this section. As soon as practicable after the adoption of an ordinance under this section, the county fiscal body shall send a certified copy of the ordinance to the county auditor, the department of local government finance, and the department. An ordinance adopted under this section before June 1, 2006, or April 1 in a subsequent year applies to the imposition

of county income taxes after June 30 in that year. An ordinance adopted under this section after May 31, 2006, and March 31 of a subsequent year initially applies to the imposition of county option income taxes after June 30 of the immediately following year.

(e) If the county imposes an additional tax rate under this section, the county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 18 of this chapter.

(f) County option income tax revenues derived from an additional tax rate imposed under this section:

- (1) may be used only for the purposes described in this section;
- (2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and
- (3) may be pledged for the repayment of bonds issued or leases entered into to fund the purposes described in subsection (c)(1), except operation or maintenance.

(g) If the county imposes an additional tax rate under this section, the department, after reviewing the recommendation of the budget agency, shall adjust the certified distribution of the county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts the increased tax rate and in each calendar year thereafter. The department shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

The money shall be distributed to the civil taxing units and school corporations of the county:

(1) as if the money were from property tax collections; and

(2) in such a manner that no civil taxing unit or school corporation will suffer a net revenue loss because of the allowance of an increased homestead credit **or residential property tax replacement credit.**

~~(j)~~ **(l)** Subject to the approval of the imposing entity, the county auditor may adjust the increased percentage of:

(1) homestead credit determined under subsection ~~(h)~~(2) (i)(2) if the county auditor determines that the adjustment is necessary to achieve an equitable reduction of property taxes among the homesteads in the county; or

(c) If the department of education determines that the provisions of IC 20-45-1-21, IC 20-45-3-5, and IC 20-45-3-6, all as amended by this act, will adversely affect the policy of taxpayer tax equalization as a result of the effects of an annual adjustment under IC 6-1.1-4-4.5 or other factors, the department of education may develop an alternative tuition support levy calculation that more closely complies with the taxpayer tax equalization policies embodied in the school funding formula for 2007. After review by the budget committee and approval by the budget agency, the department of local government finance shall adjust tax rates and tax levies in 2007, as necessary, to implement the alternative calculation developed under this subsection.

- (2) The goal of the proposal must be to actuarially fund a major portion of the expected retirement health care premium costs for a typical state employee through contributions made throughout the entire career of the state employee.
- (3) The proposal must make use of federal tax advantages to the greatest extent possible.
- (4) The proposal may include a variety of contribution options under which the state and a state employee may make voluntary or mandatory contributions to the employee's retirement health care account.
- (5) The proposal may explore the feasibility of:
 - (A) using the concept of "paid time off" (PTO) days in exchange for vacation days, personal days, holidays, and sick days; and

- (6) The proposal may include estimates of the monetary savings of the following:
 - (A) Reduced overtime expense.
 - (B) Savings from employee turnover.
- (7) For an employee who has already served most of the employee's career in public service, the proposal must include a transition program that provides a retirement health care funding mechanism under which the employee would make contributions for the remainder of the employee's career that would be supplemented by the state in order to provide a benefit similar to the benefit that will be provided by the long term funding plan.

(c) The OMB shall present the proposal required by this SECTION and any other findings and recommendations to the budget committee before November 1, 2006.

- (1) The clerk of each of the reorganizing political subdivisions.
 - (2) The county auditor of each county in which a reorganizing political subdivision is located.
 - (3) The county recorder of each county in which a reorganizing political subdivision is located.
 - (4) The state board of accounts.
 - (5) The department of local government finance.
 - (6) The department of state revenue.
 - (7) The budget agency.
 - (8) If any of the reorganizing political subdivisions is a school corporation, the department of education.
- (b) In the case of a public question on a reorganization described in section 1(a)(9) of this chapter:

- (1) the public question on a plan of reorganization shall be placed on the ballot for consideration by the voters of the entire county;
- (2) the vote on the public question by the voters of the entire county shall be tabulated;
- (3) if the legislative bodies of the reorganizing political subdivisions have agreed that the vote on the public question shall be conducted with a rejection threshold, the vote on the public question by the voters of:
 - (A) each reorganizing municipality; and
 - (B) the county (excluding the voters of the reorganizing municipalities);

shall be tabulated separately; and

- (4) the circuit court clerk shall issue, in a form prescribed by the state election board, separate certificates regarding whether the public question is approved or rejected by the voters of:

- (A) the entire county;
- (B) each reorganizing municipality (if the legislative bodies of the reorganizing political subdivisions have agreed that the vote on the public question shall be conducted with a rejection threshold); and
- (C) the county, excluding the voters of the reorganizing municipalities (if the legislative bodies of the reorganizing political subdivisions have agreed that the vote on the public question shall be conducted with a rejection threshold);

voting on the public question

Sec. 31. Each county recorder receiving a certification from a circuit court clerk under section 30 of this chapter shall file the certification without charge with the plan of reorganization recorded under section 25 of this chapter.

Sec. 32. (a) This subsection does not apply to a reorganization described in section 1(a)(9) of this chapter. A reorganization as specified in the plan of reorganization is approved if a majority of the voters in each reorganizing political subdivision voting on the public question approve the public question on the reorganization. The vote of voters of a reorganizing political subdivision (for example, a city) who also are voters in a second reorganizing political subdivision (for example, a township) that is geographically larger than the first political subdivision and that includes the territory of the first political subdivision shall be included only in the tally of votes for the first reorganizing political subdivision in which the voters reside.

(b) This subsection applies only to a reorganization described in section 1(a)(9) of this chapter. The reorganization is approved only if:

- (1) the percentage of voters voting on the public question who vote, on a countywide basis, in favor of the proposed reorganization is at least equal to the countywide vote approval percentage specified in the final reorganization plan;
- (2) if the legislative bodies of the reorganizing political subdivisions have agreed that the vote on the public question shall be conducted with a rejection threshold, the percentage of voters of the county (excluding the voters of the reorganizing municipalities) voting on the public

question who vote against the reorganization is less than the rejection threshold included in the final reorganization plan; and

- (3) if the legislative bodies of the reorganizing political subdivisions have agreed that the vote on the public question shall be conducted with a rejection threshold, the percentage of voters of each reorganizing municipality voting on the public question who vote against the reorganization is less than the rejection threshold included in the final reorganization plan.

If the reorganization is not approved, the reorganization is terminated. If the legislative bodies of the reorganizing political subdivisions have agreed that the vote in the public question shall be conducted with a rejection threshold, then in tabulating the votes under subdivisions (2) and (3), the vote of voters of a reorganizing municipality who also are voters in the county shall be included only in the tally of votes for the municipality in which the voters reside.

Sec. 33. Except in the case of a reorganization described in section 1(a)(9) of this chapter, if a reorganization is not approved by the majority of the voters in each reorganizing political subdivision voting on the public question, the reorganization is terminated. A political subdivision in which voters of the political subdivision approved the reorganization may continue with a reorganization with another political subdivision in which the reorganization was approved only if a new plan of reorganization is approved by the voters of each political subdivision in the manner provided by this chapter. The reorganization committee shall adopt a plan to specify how matters related to the termination of the reorganization shall be handled.

Sec. 34. (a) This section applies if:

- (1) in the case of a reorganization that is not described in section 1(a)(9) of this chapter, the majority of the voters of each of the reorganizing political subdivisions voting on the public question approve the public question concerning the reorganization; or
- (2) in the case of a reorganization described in section 1(a)(9) of this chapter, the reorganization is approved as set forth in section 32(b) of this chapter.

(b) The political subdivisions are reorganized in the form and under the conditions specified by the legislative bodies of the reorganizing political subdivisions in the plan of reorganization filed with the county recorder under this chapter.

Sec. 35. (a) This section applies to an initial election:

- (1) of the members of a governing body or officers that are elected by the voters for a reorganized political subdivision that:

- (A) is a town; and
- (B) has town boundaries that encompass part of another town that was part of the reorganization;
- (2) that is conducted before the reorganization takes effect; and
- (3) to which IC 3-10-7-1 applies.

(b) The members of each precinct board shall be jointly appointed by the town election boards of each of the reorganizing political subdivisions.

Sec. 36. (a) This section applies if section 5 of this chapter requires an election for a reorganization to become effective.

(b) At the next:

- (1) general election, if the reorganized political subdivision is not a municipality or a school corporation;
- (2) municipal election, if the reorganized political subdivision is a municipality; or
- (3) primary or general election, as specified in an election plan adopted in substantially identical resolutions by the legislative body of each of the participating political subdivisions if the reorganized political subdivision is a school corporation;

after the voters approve a reorganization, one (1) set of officers for the reorganized political subdivision having the combined population of the reorganizing political subdivisions shall be elected by the voters in the territory of the reorganized political subdivision as prescribed by statute.

(c) In the election described in subsection (b):

(1) one (1) member of the legislative body of the reorganized political subdivision shall be elected from each election district established by the reorganizing political subdivisions in substantially identical resolutions adopted by the legislative body of each of the reorganizing political subdivisions; and

(2) the total number of at large members shall be elected as prescribed by statute for the reorganized political subdivision.

(d) If appointed officers are required in the reorganized political subdivision, one (1) set of appointed officers shall be appointed for the reorganized political subdivision. The appointments shall be made as required by statute for the reorganized political subdivision. Any statute requiring an appointed officer to reside in the political subdivision where the appointed officer resides shall be treated as permitting the appointed officer to reside in any part of the territory of the reorganized political subdivision.

Sec. 37. The legislative bodies of the reorganizing political subdivisions and an adjacent political subdivision may change the boundaries of the reorganized political subdivision by adopting substantially identical resolutions clearly describing the boundary changes. The resolutions must be filed as required by law for a boundary change for the reorganized political subdivision and may not provide for a territory that is smaller than the territory permitted by law for any of the political subdivisions. If the law establishes additional procedures for the annexation or disannexation of the territory of a political subdivision, the political subdivisions changing boundaries must comply with the annexation or disannexation procedures required by law.

Sec. 38. A reorganized political subdivision has the powers granted by statute to a political subdivision of the same type as the reorganized political subdivision. However, if authorized by the plan of reorganization approved by the voters in a public question under this chapter, the reorganized political subdivision will exercise a power or have the officers or number of offices that a statute would have permitted any of the reorganizing political subdivisions to have.

Sec. 39. If a law does not permit the reorganized political subdivision to exercise generally throughout the territory of the reorganized political subdivision a power that any of the reorganizing political subdivisions had before the reorganization, the reorganized political subdivision may exercise the power outside the original territory of the reorganizing political subdivision only by following the laws applicable to the expansion of the service area of the reorganizing political subdivision.

Sec. 40. The following apply in the case of a reorganization under this article:

(1) Indebtedness that was incurred by a political subdivision before the reorganization:

(A) may not be imposed on taxpayers that were not responsible for payment of the indebtedness before the reorganization; and

(B) must be paid by the taxpayers that were responsible for payment of the indebtedness before the reorganization.

(2) Pension obligations existing as of the effective date of the reorganization:

(A) may not be imposed on taxpayers that were not responsible for payment of the pension obligations before the reorganization; and

(B) must be paid by the taxpayers that were responsible for payment of the pension obligations before the reorganization.

Sec. 41. (a) Notwithstanding any other law, an individual:

(1) who is employed as a firefighter or a police officer by a political subdivision that is reorganized under this article;

(2) who is a member of the 1977 fund before the effective date of the reorganization under this article; and

(3) who, after the reorganization, becomes an employee of the fire department, police department, or county police department of the reorganized political subdivision;

remains a member of the 1977 fund without being required to meet the requirements under IC 36-8-8-19 and IC 36-8-8-21. The firefighter or police officer shall receive credit for any service as a member of the 1977 fund before the reorganization to determine the firefighter's or police officer's eligibility for benefits under IC 36-8-8.

(b) Notwithstanding any other law, an individual:

(1) who is employed as a firefighter by a political subdivision that is reorganized under this article;

(2) who is a member of the 1937 fund before the effective date of the reorganization under this article; and

(3) who, after the reorganization, becomes an employee of the fire department of the reorganized political subdivision; remains a member of the 1937 fund. The firefighter shall receive credit for any service as a member of the 1937 fund before the reorganization to determine the firefighter's eligibility for benefits under IC 36-8-7.

(c) Notwithstanding any other law, an individual:

(1) who is employed as a member of a county police department by a political subdivision that is reorganized under this article;

(2) who is a member of the sheriff's pension trust before the effective date of the reorganization under this article; and

(3) who, after the reorganization, becomes a law enforcement officer of the reorganized political subdivision; remains a member of the sheriff's pension trust. The individual shall receive credit for any service as a member of the sheriff's pension trust before the reorganization to determine the individual's eligibility for benefits under IC 36-8-10.

(d) Notwithstanding any other law, an individual:

(1) who is employed as a police officer by a political subdivision that is reorganized under this article;

(2) who is a member of the 1925 fund or 1953 fund before the effective date of the reorganization under this article; and

(3) who, after the reorganization, becomes an employee of the police department or county police department of the reorganized political subdivision; remains a member of the 1925 fund or 1953 fund. The police officer shall receive credit for any service as a member of the 1925 fund or 1953 fund before the reorganization to determine the police officer's eligibility for benefits under IC 36-8-6 or IC 36-8-7.5.

(e) Notwithstanding any other law, an individual:

(1) who is employed by a political subdivision that is reorganized under this article;

(2) who is a member of the pre-1996 account (as defined in IC 21-6.1-1-6.9) before the effective date of the reorganization under this article; and

(3) who, after the reorganization, becomes an employee of the reorganized political subdivision in a position that qualifies the individual for service credit in the Indiana state teachers' retirement fund; remains a member of the pre-1996 account.

Sec. 42. If the functions of an elected office are transferred to another elected office by a reorganization under this article, any law, rule, or agreement that requires or permits an action by an elected officer shall be treated after the functions of the elected officer are transferred as referring to the elected officer to which the functions have been transferred by the reorganization.

Sec. 43. The legislative body or voters of a reorganized political subdivision may terminate a reorganization or restore one (1) or more of the reorganizing political subdivisions participating in a reorganization in the same manner that a reorganization may be initiated under this chapter. If the voters in the reorganized political subdivision approve a public question approving termination of the reorganization or restoration of a reorganizing political subdivision, the reorganized political subdivision shall terminate the reorganization and restore the reorganizing political subdivisions in the same manner as a reorganization is completed under this chapter.

Chapter 5. Cooperative Agreements and Transfers of Responsibilities

Sec. 1. Notwithstanding any other law, two (2) or more political subdivisions may enter into a cooperative agreement under this chapter by using the same procedures set forth in this article for the initiation and approval of a reorganization under this article. A cooperative agreement under this chapter may be initiated and approved only in the manner set forth in this article for the initiation and approval of a reorganization under this article.

Sec. 2. (a) A cooperative agreement under this chapter must provide at least for the following:

- (1) Its duration.
- (2) Its purpose.
- (3) The manner of financing, staffing, and supplying any joint undertaking and of establishing and maintaining a budget for any joint undertaking that is the subject of the cooperative agreement.
- (4) The methods that may be employed in accomplishing the partial or complete termination of the cooperative agreement and for disposing of property upon partial or complete termination of the cooperative agreement.
- (5) The manner in which the cooperative agreement is to be administered.
- (6) The manner of acquiring, holding, and disposing of real and personal property that is the subject of the cooperative agreement.

(b) A cooperative agreement may include any condition or term that is necessary or appropriate.

Sec. 3. (a) The cooperative agreement may transfer the functions of an employee or a department of a political subdivision, including an elected office, to another employee or department of any political subdivision that has entered into the cooperative agreement.

(b) The functions of an elected office may be transferred only to another elected office.

(c) The cooperative agreement may provide for the abolishment of an elected office that is not required by the Constitution of the State of Indiana.

Sec. 4. A political subdivision may enter into a cooperative agreement with an entity to share the services of an employee employed by any party to the agreement.

Sec. 5. A cooperative agreement may provide that a political subdivision:

- (1) may appropriate and pledge any legally available revenues to the payment of the bonds, leases, or other obligations of another political subdivision that is a party to the cooperative agreement; and
- (2) will appropriate legally available revenues for any other payment under the cooperative agreement;

if the political subdivision's fiscal body finds that it is necessary, desirable, and in the best interests of the residents of that political subdivision.

Sec. 6. (a) A cooperative agreement may not permit an entity or another instrumentality established to administer the cooperative agreement to take any action that at least one (1) of the parties to the cooperative agreement could not carry out on its own.

(b) A cooperative agreement may permit the transfer of money from one (1) fund of a political subdivision for a use authorized by the cooperative agreement.

Sec. 7. (a) A cooperative agreement transferring the functions of an elected office becomes effective only at the end of the term of the incumbent that holds the office.

(b) Any law, rule, or agreement that requires or permits an action by an employee or elected officer after the functions of the employee or elected officer are transferred shall be treated as referring to the employee or elected officer to which the functions have been transferred by the cooperative agreement.

Sec. 8. The department of local government finance shall adjust as necessary tax rates, tax levies, and budgets of political subdivisions that enter into a cooperative agreement under this chapter in the same manner as tax rates, tax levies, and budgets are adjusted under IC 36-1.5-3 for reorganizing political subdivisions.

Delete everything after the enacting clause and insert the following:

SECTION 1. IC 5-10.2-4-1.9 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1.9. (a) An employee of a township who:

- (1) is a member of the public employees' retirement fund;
- (2) has not attained vested status; and
- (3) is terminated from employment with the township as the result of a consolidation under IC 36-3-1-6.1;

may make the election described in subsection (b).

(b) A member described in subsection (a) may elect, in the manner prescribed by the board of trustees of the public employees' retirement fund, not later than sixty (60) days after the date the member separates from township service, to receive from the public employees' retirement fund a distribution under subsection (c).

(c) This subsection applies to a member who elects under subsection (b) to receive a distribution. The member is entitled to receive a distribution that is equal to the present value, as determined by the board on the member's separation date, of the pension portion of the monthly retirement benefit computed as if the member had been:

- (1) eligible for normal retirement; and
- (2) at least sixty-five (65) years of age;

on the member's separation date, multiplied by a fraction. The numerator of the fraction is the number of months of creditable service earned by the member as an employee of the state before the member's separation date. The denominator of the fraction is one hundred twenty (120).

(d) To the extent permitted by the Internal Revenue Code, the distribution under subsection (c) must be made directly to any of the following designated by the terminating employee:

- (1) An individual retirement account or annuity described in Section 408(a) or Section 408(b) of the Internal Revenue Code.
- (2) A qualified plan described in Section 401(a) or Section 403(a) of the Internal Revenue Code.
- (3) An annuity contract or account described in Section 403(b) of the Internal Revenue Code.
- (4) An eligible plan that is maintained by a state, a political subdivision of a state, or an agency or instrumentality of a state or political subdivision of a state under Section 457(b) of the Internal Revenue Code.

(e) Creditable service used in computing a distribution under this section may not be used to compute a normal or early retirement benefit under this article.

(f) The board of trustees of the public employees' retirement fund may adopt reasonable procedures and standards to implement this section.

(g) This section applies only if the public employees' retirement fund has received from the Internal Revenue Service any approvals or rulings that the board of trustees of the public employees' retirement fund considers necessary or appropriate.

SECTION 2. IC 5-10.3-6-8.8 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 8.8. (a) This section applies when employees of a township in particular departmental,

occupational, or other definable classifications are terminated from employment with the township as a result of a consolidation under IC 36-3-1-6.1.

(b) The township executive shall request coverage under this section from the board whenever an employee of the township is terminated as described in subsection (a).

(c) The board must approve a request from the township executive under subsection (b) unless approval violates subsection (i), federal or state law, or the terms of the fund.

(d) As used in this section, "early retirement" means a member is eligible to retire with a reduced pension under IC 5-10.2-4-1, because the member:

- (1) is at least fifty (50) years of age; and
- (2) has at least fifteen (15) years of creditable service.

(e) As used in this section, "normal retirement" means a member is eligible to retire under IC 5-10.2-4-1, because:

- (1) the member is at least sixty-five (65) years of age and has at least ten (10) years of creditable service;
- (2) the member is at least sixty (60) years of age and has at least fifteen (15) years of creditable service; or
- (3) the member's age in years plus the member's years of service is at least eighty-five (85) and the member is at least fifty-five (55) years of age.

(f) The withdrawal of the employees described in subsection (a) from the fund is effective on a termination date established by the board. The board may not establish a termination date that occurs before all of the following have occurred:

(1) The township executive has requested coverage under this section and provided written notice of the following to the board:

(A) The intent of the township to terminate the employees from employment.

(B) The names of the terminated employees as of the date that the termination is to occur.

(2) The expiration of a thirty (30) day period following the filing of the notice with the board.

(3) The consolidated city complies with subsection (g).

(g) A member who is covered by subsection (f) and who, as of the date of the notice under subsection (f), is less than twenty-four (24) months from being eligible for normal or early retirement under IC 5-10.2-4-1 may elect to retire by purchasing the service credit needed for retirement under the following conditions:

(1) The consolidated city shall contribute to the fund an amount determined under IC 5-10.2-3-1.2 that is sufficient to pay the member's contributions required for the member's purchase of the service credit the member needs to retire.

(2) The maximum amount of creditable service that the consolidated city may purchase for a member under this subsection is twenty-four (24) months.

(3) The benefit for the member shall be computed under IC 5-10.2-4-4 using the member's actual years of creditable service plus all other service for which the fund gives credit, including the creditable service purchased under this subsection.

(h) The board shall evaluate each withdrawal under this section to determine if the withdrawal affects the fund's compliance with Section 401(a) of the Internal Revenue Code of 1954, as in effect on September 1, 1974. The board may deny an employee permission to withdraw if the denial is necessary to achieve compliance with Section 401(a) of the Internal Revenue Code of 1954, as in effect on September 1, 1974.

SECTION 3. IC 6-1.1-18.5-10.4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10.4. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a township, a county containing a consolidated city, or a fire protection district under IC 36-8-14.

(b) For purposes of computing the ad valorem property tax levy limit imposed on a township or a fire protection district under section 3 of this chapter, the township's, the county's, or the fire protection district's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed under IC 36-8-14.

SECTION 4. IC 6-1.1-18.5-21.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 21.5. The ad valorem property tax levy limits imposed by this chapter do not apply to ad valorem property taxes imposed by the consolidated fire department taxing district established in IC 36-3-1-6.4 to pay or fund the following:

(1) Any indebtedness of a township, a fire protection territory, or an excluded city that is related to fire protection facilities or fire protection equipment and is assumed, defeased, paid, or refunded by the consolidated city under IC 36-3-1-6.1 or IC 36-3-1-6.3.

(2) Any indebtedness issued by the consolidated city to pay for fire protection services, emergency services, or equipment, buildings, or land related to fire protection services or emergency medical services.

SECTION 5. IC 6-3.5-6-18.5, AS AMENDED BY P.L.234-2005, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18.5. (a) This section applies to a county containing a consolidated city.

(b) Notwithstanding section 18(e) of this chapter, the distributive shares that each civil taxing unit in a county containing a consolidated city is entitled to receive during a month equals the following:

(1) For the calendar year beginning January 1, 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month multiplied by the following factor:

Center Township	.0251
Decatur Township	.00217
Franklin Township	.0023
Lawrence Township	.01177
Perry Township	.01130
Pike Township	.01865
Warren Township	.01359
Washington Township	.01346
Wayne Township	.01307
Lawrence-City	.00858
Beech Grove	.00845
Southport	.00025
Speedway	.00722
Indianapolis/Marion County	.86409

(2) Notwithstanding subdivision (1), for the calendar year beginning January 1, 1995, the distributive shares for each civil taxing unit in a county containing a consolidated city shall be not less than the following:

Center Township	\$1,898,145
Decatur Township	\$164,103
Franklin Township	\$173,934
Lawrence Township	\$890,086
Perry Township	\$854,544
Pike Township	\$1,410,375
Warren Township	\$1,027,721
Washington Township	\$1,017,890
Wayne Township	\$988,397
Lawrence-City	\$648,848
Beech Grove	\$639,017
Southport	\$18,906
Speedway	\$546,000

(3) For each year after 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month as follows:

STEP ONE: Determine the total amount of revenues that were distributed as distributive shares during that month in calendar year 1995.

STEP TWO: Determine the total amount of revenue that the department has certified as distributive shares for that month under section 17 of this chapter for the calendar year.

STEP THREE: Subtract the STEP ONE result from the STEP TWO result.

STEP FOUR: If the STEP THREE result is less than or equal to zero (0), multiply the STEP TWO result by the ratio established under subdivision (1).

STEP FIVE: Determine the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for each civil taxing unit for the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for all civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

STEP SIX: If the STEP THREE result is greater than zero (0), the STEP ONE amount shall be distributed by multiplying the STEP ONE amount by the ratio established under subdivision (1).

STEP SEVEN: For each taxing unit determine the STEP FIVE ratio multiplied by the STEP TWO amount.

STEP EIGHT: For each civil taxing unit determine the difference between the STEP SEVEN amount minus the product of the STEP ONE amount multiplied by the ratio established under subdivision (1). The STEP THREE excess shall be distributed as provided in STEP NINE only to the civil taxing units that have a STEP EIGHT difference greater than or equal to zero (0).

STEP NINE: For the civil taxing units qualifying for a distribution under STEP EIGHT, each civil taxing unit's share equals the STEP THREE excess multiplied by the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for the qualifying civil taxing unit during the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for all qualifying civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

(c) Except with respect to Center Township, if a consolidated fire department is established under IC 36-3-1-6.1, beginning with the calendar year following the consolidation and for each year thereafter, a percentage of the revenues to be distributed as distributive shares during each year to a township that has consolidated its fire department shall instead be distributed to the consolidated fire department taxing district and deposited in the consolidated fire department taxing district fund. The percentage to be distributed to the consolidated fire department taxing district shall be equal to the percentage, if any, of the township's distributive shares received in the 2006 budget year that are used by the township for fire protection services.

(d) If Lawrence, Beech Grove, Southport, or Speedway consolidates its fire department into the consolidated fire department under IC 36-3-1-6.3, beginning with the calendar year following the consolidation and for each year thereafter, the monthly distributive share of county option income taxes distributed to Lawrence, Beech Grove, Southport, or Speedway, as applicable, shall be reduced by a percentage set forth in the ordinances adopted under IC 36-3-1-6.3, and those revenues shall instead be distributed to the consolidated fire department taxing district and deposited in the consolidated fire department taxing district fund.

SECTION 6. IC 8-1.5-5-32, AS ADDED BY SEA 71-2006, SECTION 1, AND HEA 1212-2006, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 32. (a) This section applies to excluded cities and towns in a county containing a consolidated city.

(b) A municipality to which this section applies may withdraw from the district established by the consolidated city if the municipal

legislative body adopts an ordinance withdrawing the municipality from the district. The municipal legislative body shall, at least thirty (30) days before the final vote on the ordinance, mail written notice of the meeting to the following:

(1) All owners of lots and parcels within the municipality that are subject to storm water user fees imposed in the district by the department of public works of the consolidated city.

(2) The department of public works of the consolidated city.

(c) An ordinance described in subsection (b) takes effect sixty (60) days after adoption by the municipal legislative body.

(d) In addition to the notice required by subsection (b), if a municipal legislative body adopts an ordinance under subsection (b), the municipal legislative body shall mail written notice of the withdrawal from the district to the department of public works of the consolidated city not more than thirty (30) days after the ordinance becomes effective.

(e) If on the date of a municipality's withdrawal from the district there are bonds outstanding that have been issued by the board of public works of the consolidated city, the municipality is liable for and shall pay that indebtedness in the same ratio as the assessed valuation of the property in the municipality bears to the assessed valuation of all property included in the district on the date one (1) day before the date of withdrawal, as shown in the most recent assessment for taxation before the date of withdrawal.

(f) If a municipal legislative body adopts an ordinance under subsection (b), the ~~district municipality~~ is entitled to receive the following:

(b) If a property owner fails or refuses to compensate for building, rebuilding, or repairing the property owner's portion of a partition fence, another property owner who is interested in the fence, after having built, rebuilt, or repaired the property owner's portion of the fence, shall give to the defaulting property owner or the defaulting property owner's agent or tenant twenty (20) days notice to build, rebuild, or repair the defaulting property owner's portion of the fence. If the defaulting property owner or the defaulting property owner's agent or tenant fails to build, rebuild, or repair the fence within twenty (20) days, the complaining property owner shall notify the township trustee of the township in which the properties are located of the default.

(c) This subsection applies if the fence sought to be established, rebuilt, or repaired is on a township line. Unless disqualified under

subsection (h), the complaining property owner shall notify the trustee of the township in which the property of the complaining property owner is located of the default under subsection (b), and the trustee has jurisdiction in the matter.

(d) The township trustee who receives a complaint under this section shall:

- (1) estimate the costs for building, rebuilding, or repairing the partition fence; and
- (2) within a reasonable time after receiving the complaint, make out a statement and notify the defaulting property owner of the probable cost of building, rebuilding, or repairing the fence.

The trustee may use only the materials for the fences that are most commonly used by the farmers of the community.

(e) If the trustee of a township is disqualified to act under subsection (h), the trustee of an adjoining township who resides nearest to where the fence is located shall act on the complaint upon receiving a notice by a property owner who is interested in the fence.

The floodgates or other similar structures shall be constructed to swing up in times of high water and to connect continuously with the partition fences.

(k) This subsection applies if the building and maintenance of the floodgates or other similar structure required under subsection (j) causes additional expenses and the property owners cannot agree upon the character of floodgates or other similar structure, or upon the proportionate share of the cost to be borne by each property owner. The township trustee, upon notice in writing from either property owner of a disagreement and the nature of the disagreement, shall appoint three (3) disinterested citizens of the township who shall determine the kind of structure and apportion the cost of the floodgate or other structure between the property owners, taking into consideration the parts of the fence being maintained by each property owner.

not be assumed, defeased, paid, or refunded by the consolidated city and may be paid from property taxes imposed by the consolidated fire department taxing district. Indebtedness related to fire protection operations (excluding indebtedness related to fire protection facilities or fire protection equipment) that is incurred before the effective date of the consolidation by the entity or a building, holding, or leasing corporation on behalf of the entity whose fire department is consolidated into the consolidated fire department under subsection (a) shall remain the debt of the entity and does not become and may not be assumed by the consolidated city. Notwithstanding any other law, to assume, defease, pay, or refund all or a part of the indebtedness related to fire protection facilities or fire protection equipment, the consolidated city is not required to comply with any other statutory procedures or approvals that apply when a unit incurs indebtedness. The rights of the trustee and the bondholders with respect to any:

- (1) bonds or other indebtedness; or
- (2) bond resolution, trust agreement, or indenture, security agreement, purchase agreement, or other undertaking with respect to indebtedness;

Indebtedness related to fire protection services that is incurred by the consolidated city before the effective date of the consolidation shall remain the debt of the consolidated city and property taxes levied to pay the debt may only be levied by the fire special service district.

The township legislative body shall hold the hearing not earlier than thirty (30) days after the date the resolution is introduced. The hearing shall be conducted in accordance with IC 5-14-1.5 and notice of the hearing shall be published in accordance with IC 5-3-1. If the township legislative body has adopted a resolution under this subsection, the township legislative body shall, after approval from the township trustee, forward the resolution to the legislative body of the consolidated city. If such a resolution is forwarded to the legislative body of the consolidated city and the legislative body of the consolidated city adopts an ordinance, approved by the mayor of the consolidated city, approving the consolidation of the fire department of the township into the fire department of the consolidated city, and the requirements of this subsection are satisfied, the consolidation shall take effect on the date agreed to by the township legislative body in its resolution and by the legislative body of the consolidated city in its ordinance approving the consolidation.

(h) (o) The following apply if the requirements of subsection (g) are satisfied: fire departments of the entities listed in subsection (a) are consolidated into the fire department of a consolidated city:

- (1) The consolidation of the fire department of that township is effective on the date agreed to by the township legislative body in the resolution and by the legislative body of the consolidated city in its ordinance approving the consolidation.
- (2) (1) Notwithstanding any other provision, a firefighter:

(A) who is a member of the 1977 fund before the effective date of a consolidation under this section; and

(B) who, after the consolidation, becomes an employee of the fire department of a consolidated city under this section; remains a member of the 1977 fund without being required to meet the requirements under IC 36-8-8-19 and IC 36-8-8-21. The firefighter shall receive credit for any service as a member of the 1977 fund before the consolidation to determine the firefighter's eligibility for benefits under IC 36-8-8.

(B) who, after the consolidation, becomes an employee of the fire department of a consolidated city under this section; remains a member of the 1937 fund. The firefighter shall receive credit for any service as a member of the 1937 fund before the consolidation to determine the firefighter's eligibility for benefits under IC 36-8-7.

(4) For property taxes first due and payable in the year in which the consolidation is effective, the maximum permissible ad valorem property tax levy under IC 6-1.1-18.5:

- (A) is increased for the consolidated city by an amount equal to the maximum permissible ad valorem property tax levy in the year preceding the year in which the consolidation is effective for fire protection and related services by the township whose fire department is consolidated into the fire department of the consolidated city under this section; and
- (B) is reduced for the township whose fire department is consolidated into the fire department of the consolidated city under this section by the amount equal to the maximum permissible ad valorem property tax levy in the year preceding the year in which the consolidation is effective for fire protection and related services for the township.

(5) The amount levied in the year preceding the year in which the consolidation is effective by the township whose fire department is consolidated into the fire department of the consolidated city for the township's cumulative building and equipment fund for fire protection and related services is transferred on the effective date of the consolidation to the consolidated city's cumulative building and equipment fund for fire protection and related services, which is hereby established. The consolidated city is exempted from the requirements of IC 36-8-14 and IC 6-1.1-41 regarding establishment of the cumulative building and equipment fund for fire protection and related services.

(6) (3) The local boards for the 1937 firefighters' pension fund and the 1977 police officers' and firefighters' pension and disability fund of the township entities listed in subsection (a) are dissolved, and their services are terminated not later than the effective date of the consolidation. The duties performed by the local boards under IC 36-8-7 and IC 36-8-8, respectively, are assumed by the consolidated city's local board for the 1937 firefighters' pension fund and local board for the 1977 police officers' and firefighters' pension and disability fund, respectively. Notwithstanding any other provision, the legislative body of the consolidated city may adopt an ordinance to adjust the membership of the consolidated city's local board to reflect the consolidation.

(7) The consolidated city may levy property taxes within the consolidated city's maximum permissible ad valorem property tax levy limit to provide for the payment of the expenses for the operation of the consolidated fire department. However, property taxes to fund the pension obligation under IC 36-8-7 for members of the 1937 firefighters fund who were employees of the consolidated city at the time of the consolidation may be levied only by the fire special service district within the fire special service district. The fire special service district established under IC 36-3-1-6 may levy property taxes to provide for the payment of expenses for the operation of the consolidated fire department within the territory of the fire special service district. (a) If a consolidated fire department is established under section 6.1 of this chapter, the consolidated city, through the consolidated fire department, shall after the consolidation establish, operate, and maintain emergency ambulance services (as defined in IC 16-18-2-107) in the fire special service district and in those townships in the county that are consolidated under section 6.1 of this chapter: territory of the consolidated fire department taxing district.

(b) This section does not prohibit the providing of emergency ambulance services under an interlocal agreement under IC 36-1-7.

SECTION 40. IC 36-3-1-6.3 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6.3. (a) A consolidated fire department may not provide fire protection services for:

- (1) an excluded city; or
- (2) a fire protection territory for which an excluded city is a provider unit (as defined in IC 36-8-19-3);

unless the fire protection services are provided under an interlocal agreement under IC 36-1-7 or the conditions in subsection (b) are met.

(b) For the consolidated fire department to provide fire protection services to an excluded city other than under an interlocal agreement under IC 36-1-7, all the following must occur:

- (1) The legislative body of the excluded city and the city-county legislative body must adopt substantially similar ordinances authorizing the consolidation of the fire department of the excluded city into the consolidated fire department.
- (2) The ordinances described in subdivision (1) must:
 - (A) specify the effective date of the consolidation; and
 - (B) set forth the conditions of the consolidation.

(c) After the effective date of the consolidation described in subsection (b), the consolidated fire department shall provide fire protection services within the territory of the excluded city.

(d) After the effective date of the consolidation described in subsection (b) and except as otherwise provided, all the property, equipment, records, rights, and contracts of the fire department of the excluded city are transferred to and assumed by the consolidated city. Any balance in an excluded city's cumulative building and equipment fund for fire protection and related services established under IC 36-8-14 before the effective date of the consolidation shall not be transferred to the consolidated city but shall be transferred first to a dedicated city fund and used to pay pension obligations under the 1937 firefighters' pension fund,

if the excluded city has any unfunded liability for pension obligations for its firefighters under the 1937 firefighters' pension fund, and if any balance remains after that transfer for pension obligations the remaining balance shall be transferred to any other cumulative fund or rainy day fund established by the excluded city before the effective date of the consolidation. The balances in any funds established by an excluded city for any purpose are not transferred to the consolidated city.

(e) After the effective date of the consolidation described in subsection (b), the employees of the fire department of the excluded city cease employment with the excluded city and become employees of the consolidated fire department. These employees are not hired or rehired for purposes of IC 36-8-3.2 or IC 36-8-10.5 upon becoming employees of the consolidated fire department. The consolidated city shall assume all agreements with labor organizations that:

- (1) are in effect after the effective date of the consolidation described in subsection (b); and
- (2) apply to employees of the fire department of the excluded city who become employees of the consolidated fire department.

However, an employee of the excluded city may not become an employee of the consolidated fire department under this subsection unless the employee has completed a criminal history background check.

(f) Except as provided in subsection (h), the consolidated city shall assume, defease, pay, or refund all indebtedness related to fire protection facilities or fire protection equipment incurred before the effective date of the consolidation described in subsection (b) by:

whose fire department is consolidated into the consolidated fire department under subsection (b). Indebtedness related to fire protection operations (excluding indebtedness related to fire protection facilities or fire protection equipment) that is incurred before the effective date of the consolidation by the excluded city whose fire department is consolidated into the consolidated fire department shall remain the debt of the excluded city and does not become and may not be assumed by the consolidated city.

(g) Notwithstanding any other law, to assume, defease, pay, or refund all or a part of the indebtedness related to fire protection facilities or fire protection equipment under subsection (f), the consolidated city is not required to comply with any other statutory procedures or approvals that apply when a unit incurs indebtedness.

(h) Notwithstanding subsections (f) and (g), the consolidated city may not assume all or a part of the indebtedness described in subsection (f) that will cause the consolidated city to exceed the limitations on the amount of indebtedness that the consolidated city may incur.

(i) The rights of the trustee and the bondholders with respect to any:

- (1) indebtedness or bonds; or
- (2) bond resolution, trust agreement or indenture, security agreement, purchase agreement, or other undertaking described in subsection (f);

remain the same, although the powers, duties, agreements, and liabilities of the departments listed in subsection (a) have been transferred to the consolidated city, and the consolidated city shall be considered to have assumed all those powers, duties, agreements, and liabilities.

(j) Whenever an excluded city consolidates its fire department into the consolidated fire department under subsection (b), the local boards for the 1937 firefighters' pension fund and the 1977 police officers' and firefighters' pension and disability fund of the excluded city are dissolved, and their services are terminated not later than the effective date of the consolidation. The duties performed by the local boards under IC 36-8-7 and IC 36-8-8, respectively, are assumed by the consolidated city's local board for the 1937 firefighters' pension fund and local board for the 1977 police officers' and firefighters' pension and disability fund, respectively.

(k) Whenever an excluded city consolidates its fire department into the consolidated fire department under subsection (b), the merit board and merit system of the excluded city's fire department are dissolved, and the duties of the excluded city's merit board are transferred to and assumed by the merit board for the consolidated fire department.

(l) Whenever an excluded city consolidates its fire department into the consolidated fire department under subsection (b), commencing with the calendar year following consolidation and for each year thereafter, the excluded city's monthly distributive share of county option income tax revenues distributed under IC 6-3.5-6-18.5 shall be reduced by a percentage set forth in the ordinances adopted under subsection (b), and those revenues shall instead be distributed to the consolidated fire department taxing district and deposited in the consolidated fire department taxing district fund.

SECTION 41. IC 36-3-1-6.4 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6.4. (a) This section applies only to a county having a consolidated city and only if a consolidated fire department is established in the county under section 6.1 of this chapter.

(b) As used in this section, "taxing district" refers to the consolidated fire department taxing district established in subsection (c).

(c) If a consolidated fire department is established under section 6.1 of this chapter, the consolidated fire department taxing district is established in the county. The taxing district consists of all territory in the county except territory of an excluded city that has not consolidated its fire department under section 6.3 of this chapter.

(d) Subject to subsection (f), the taxing district shall levy a property tax within the territory of the taxing district to pay for the following:

(1) Providing fire protection services and emergency ambulance services within the territory of the taxing district and providing for the operation of the consolidated fire department.

(2) Providing any equipment, buildings, or land that is necessary for the consolidated fire department and for providing fire protection services and emergency ambulance services within the territory of the taxing district.

The property tax levy under this section is separate from other property tax levies of the consolidated city, and a separate maximum permissible property tax levy shall be collected for the taxing district. All revenue collected from the tax levied under this subsection shall be deposited in a consolidated fire department fund.

(e) Subject to subsection (f), the taxing district shall levy a property tax within the territory of the taxing district to pay for the following:

(1) Any indebtedness related to fire protection facilities or fire protection equipment assumed, defeased, paid, or refunded under section 6.1 or 6.3 of this chapter.

(2) Any indebtedness issued by the consolidated city, either before or after the consolidated fire department is established, to pay for fire protection services, emergency services, or equipment, buildings, or land related to fire protection services or emergency medical services.

The property tax levy collected under this subsection shall be deposited in a consolidated fire department debt service fund.

(f) This subsection applies only during the first four (4) calendar years that the taxing district levies a property tax under this section. Notwithstanding any other statute, the total property tax rate imposed by the taxing district for a year in those parts of the taxing district that are within a particular township, but not within the boundaries of the fire special service district, may not exceed the total property tax rate imposed by the township (and a fire protection territory in the township) for fire protection services (including property taxes imposed for debt related to fire protection services) in the year preceding the year in which the taxing district first levies a property tax under this section.

(g) Money in the consolidated fire department fund shall be used for the purposes described in subsection (d), and money in

the consolidated fire department debt service fund shall be used for the purposes described in subsection (e). The controller of the consolidated city shall administer the funds and is responsible for the issuance of warrants for payments from the funds.

(h) Property taxes to fund the pension obligation under IC 36-8-7 for members of the 1937 firefighters fund who are employees or retired employees of the consolidated city on the later of December 31, 2007, or the day preceding the effective date of the consolidation specified under IC 36-3-1-6.1 by the legislative body of the consolidated city may be levied only by the fire special service district created by section 6 of this chapter within the territory of the fire special service district and may not be levied by the taxing district.

(i) In the case of a township or an excluded city that consolidates its fire department under this section:

(1) the liability for the payment of pension obligations under IC 36-8-7 for members of the 1937 firefighters fund who are employees or retired employees of the township or excluded city at the time of the consolidation remains with the township or excluded city; and

(2) property taxes to fund the township's or excluded city's pension obligation described in subdivision (1) may be imposed by the township or excluded city only within the township or excluded city.

(j) For property taxes first due and payable in the first calendar year in which property taxes are imposed under this section in the taxing district, the maximum permissible ad valorem property tax levy of the taxing district under IC 6-1.1-18.5 is equal to the sum of:

(1) the sum of the property tax levies for taxes first due and payable in the preceding year for fire protection and related services (excluding debt) by each:

(A) township;

(B) airport authority; or

(C) fire protection territory;

whose fire department is consolidated into the fire department of the consolidated city under section 6.1 of this chapter, excluding amounts paid for pension obligations under IC 36-8-7 for members of the 1937 firefighters fund;

(2) the amount paid from the consolidated city's property tax levy during the preceding year for fire protection and related services (excluding debt); and

(3) the amount paid from the fire special service district's property tax levy during the preceding year for fire protection and related services, excluding amounts paid from the fire special service district's property tax levy to pay the consolidated city's pension obligation under IC 36-8-7 for members of the 1937 firefighters' pension fund.

However, the department of local government finance shall adjust any budgets, tax rates, and tax levies of the consolidated city, townships in the county, the taxing district, excluded cities that have consolidated fire departments under section 6.3 of this chapter, and the airport authority as necessary to reflect the establishment of a consolidated fire department.

(k) For property taxes first due and payable in the first calendar year in which property taxes are imposed under this section in the taxing district, the maximum permissible ad valorem property tax levy under IC 6-1.1-18.5:

(1) is decreased for each township, the airport authority, and any fire protection territory by the amount included in the taxing district's maximum permissible ad valorem property tax levy under subsection (j)(1) from the township, airport authority, or fire protection territory;

(2) is decreased for the consolidated city by the amount included in the taxing district's maximum permissible ad valorem property tax levy under subsection (j)(2); and

(3) is decreased for the fire special service district by an amount equal to the amount included in the taxing district's maximum permissible ad valorem property tax levy under subsection (j)(3).

(l) The maximum levy for a consolidated city is increased for property taxes first due and payable in the year that property taxes are first imposed under this section and each subsequent

calendar year by an amount equal to the lesser of:

- (1) the difference between:
 - (A) the maximum levy for the current year for the consolidated city's fire special service district created under section 6 of this chapter; and
 - (B) the amount levied for the current year for the fire special service district; or
- (2) ten percent (10%) of the maximum levy for the consolidated city's fire special service district created under section 6 of this chapter for property taxes first due and payable in the year that property taxes are first imposed under this section.

(c) The fire department of:

- (1) the consolidated city; and
- (2) the township, fire protection district, or fire protection territory;

may not reduce or terminate the employment or benefits of a full-time, fully paid firefighter who is employed before the effective date of the consolidation because of or to facilitate the consolidation, except as negotiated in an agreement between the consolidated city and the bargaining unit representing firefighters.

(d) This section does not prohibit a fire department, fire protection district, or fire protection territory from taking disciplinary action for cause against a full-time, fully paid firefighter, including suspending, reducing in rank, or discharging the firefighter.

(A) The additional homestead credits must be applied uniformly to increase the homestead credit under IC 6-1.1-20.9 for homesteads in the county, city, or town.

(B) The additional homestead credits shall be treated for all purposes as property tax levies. The additional homestead credits do not reduce the basis for determining the state property tax replacement credit under IC 6-1.1-21 or the state homestead credit under IC 6-1.1-20.9.

(C) The additional homestead credits shall be applied to the net property taxes due on the homestead after the application of all other assessed value deductions or property tax deductions and credits that apply to the amount owed under IC 6-1.1.

(D) The department of local government finance shall determine the additional homestead credit percentage for a particular year based on the amount of county economic development income tax revenue that will be used under this subdivision to provide additional homestead credits in that year.

(E) The additional homestead credits shall be applied to the net property taxes due on the homestead after the application of all other assessed value deductions or property tax deductions and credits that apply to the amount owed under IC 6-1.1.

The first three million five hundred thousand dollars (\$3,500,000) of the tax revenue that results each year from the tax rate increase shall be paid by the county treasurer to the treasurer of the northwest Indiana regional development authority under IC 36-7.5-4-2 before certified distributions are made to the county or any cities or towns in the county under this chapter from the tax revenue that results each year from the tax rate increase. All of the tax revenue that results each year from the tax rate increase that is in excess of the first three million five hundred thousand dollars (\$3,500,000) that results each year from the tax rate increase must be used by the county and cities and towns in the county for additional homestead credits under subdivision (8).

(8) This subdivision applies only to a county described in subdivision (7). Except as otherwise provided, the procedures and definitions in IC 6-1.1-20.9 apply to this subdivision. All of the tax revenue that results each year from a tax rate increase described in subdivision (7) that is in excess of the first three million five hundred thousand dollars (\$3,500,000) that results each year from the tax rate increase must be used by the county and cities and towns in the county for additional homestead credits under this subdivision. The following apply to additional homestead credits provided under this subdivision:

(A) The additional homestead credits must be applied uniformly to increase the homestead credit under IC 6-1.1-20.9 for homesteads in the county, city, or town.

(B) The additional homestead credits shall be treated for all purposes as property tax levies. The additional homestead credits do not reduce the basis for determining the state property tax replacement credit

under IC 6-1.1-21 or the state homestead credit under IC 6-1.1-20.9.

(C) The additional homestead credits shall be applied to the net property taxes due on the homestead after the application of all other assessed value deductions or property tax deductions and credits that apply to the amount owed under IC 6-1.1.

(D) The department of local government finance shall determine the additional homestead credit percentage for a particular year based on the amount of county economic development income tax revenue that will be used under this subdivision to provide additional homestead credits in that year.

or any combination of these.

(d) If there are bonds outstanding that have been issued under section 14 of this chapter or leases in effect under section 21 of this chapter, a county, city, or town may not expend money from its economic development income tax fund for a purpose authorized under subsection (b)(3) in a manner that would adversely affect owners of the outstanding bonds or payment of any lease rentals due.

Sec. 6. (a) If the authority enters into a public-private agreement concerning the Indiana Toll Road under IC 8-15.5, the auditor of state shall make the following distributions from the fund for the indicated purposes:

- (1) One hundred fifty million dollars (\$150,000,000) to the treasurer of state for deposit in the motor vehicle highway account established by IC 8-14-1. Notwithstanding IC 8-14-1, on or before October 15, 2006, and on or before October 15, 2007, the auditor of state shall distribute seventy-five million dollars (\$75,000,000) of the money deposited in the motor vehicle highway account under this subdivision to each of the counties, cities, and towns eligible to receive a distribution from the motor vehicle highway account under IC 8-14-1 and in the same proportion among the counties, cities, and towns as funds are distributed from the motor vehicle highway account under IC 8-14-1. The auditor of state:

(A) shall make the distributions required by this subdivision separately from distributions required by IC 8-14-1; and

(B) may not combine the distributions required by this subdivision with distributions required by IC 8-14-1.

Money distributed under this subdivision may be used only for purposes that money distributed from the motor vehicle highway account may be expended under IC 8-14-1.

(2) The following amounts to the northwest Indiana regional development authority for deposit in the development authority fund established under IC 36-7.5-4-1:

- (A) Forty million dollars (\$40,000,000) during the state fiscal year beginning July 1, 2006. During the state fiscal year beginning July 1, 2006, the regional development authority must pay at least twenty million dollars (\$20,000,000) of the distribution received under this clause to an airport authority that is carrying out an airport expansion project described in IC 36-7.5-2-1(2).
- (B) Eighty million dollars (\$80,000,000) to be distributed in installments of ten million dollars (\$10,000,000) during the state fiscal year beginning July 1, 2007, and each of the seven (7) state fiscal years thereafter.

However, no distributions may be made under clause (B) until the development authority's comprehensive strategic development plan prepared under IC 36-7.5-3-4 has been reviewed by the budget committee and approved by the

director of the office of management and budget. In addition, no distributions may be made under clause (B) during the state fiscal years beginning July 1, 2009, July 1, 2011, and July 1, 2013, unless the budget committee has reviewed the status of the plan and any changes to the plan. (3) The following amounts to each of the following counties on or before September 15, 2006, for deposit in local major moves construction funds under IC 8-14-16:

(A) Forty million dollars (\$40,000,000) to each county described in IC 8-14-16-1(1) through IC 8-14-16-1(5). However, if a county described in IC 8-14-16-1(3) becomes a member of the northwest Indiana regional development authority, the distribution to that county is twenty-five million dollars (\$25,000,000) instead of forty million dollars (\$40,000,000).

(B) Twenty-five million dollars (\$25,000,000) to each county described in IC 8-14-16-1(6).

(C) Fifteen million dollars (\$15,000,000) to each county described in IC 8-14-16-1(7).

(4) One hundred seventy-nine million dollars (\$179,000,000) during the state fiscal year beginning July 1, 2006, to the state highway fund for use by the department for preliminary engineering, purchase of rights-of-way, or construction of highways, roads, and bridges. After review by the budget committee, and subject to the approval of the governor, the budget agency may augment this distribution from balances available in the fund.

(5) An amount sufficient to provide for the payments owed by the authority as a result of a written agreement entered into under IC 8-15.5-7-6 to fund reductions in, or refunds of, user fees imposed on Class 2 vehicles, or to establish or replenish the reserves therefore, to the administration account of the toll road fund. The budget agency shall determine the amount of the distributions required to be made by this subdivision for each state fiscal year beginning with the state fiscal year ending June 30, 2007, and ending with the state fiscal year ending June 30, 2016.

(6) An amount sufficient to make any payments required by IC 5-10.3-6-8.9 as a result of a public-private agreement under IC 8-15.5.

(b) There is annually appropriated from the fund an amount sufficient to make any distributions required by subsection (a).

Sec. 7. In addition to any distributions required by section 6 of this chapter, money in the fund may be used for any of the following purposes:

(1) The payment of any obligation incurred or amounts owed by the authority, the department, or an operator under IC 8-15-2, IC 8-15-3, IC 8-15.5, or IC 8-15.7 in connection with the execution and performance of a public-private agreement under IC 8-15.5 or IC 8-15.7, including establishing reserves.

(2) Lease payments to the authority, if money for those payments is specifically appropriated by the general assembly.

(3) Distributions to the treasurer of state for deposit in the state highway fund, for the funding of any project in the department's transportation plan.

Sec. 8. (a) The total amount of distributions from the fund for projects or purposes that benefit a county traversed by the Indiana Toll Road may not be less than thirty-four percent (34%) of:

(1) the money that is transferred to the fund from the toll road fund under IC 8-15.5-11; plus

(2) the amount initially set aside in the administration account of the toll road fund to establish an escrow account to implement a written agreement entered into under IC 8-15.5-7-6 to fund reductions in, or refunds of, user fees imposed on Class 2 vehicles.

(b) The budget agency shall determine the amount of distributions required by this section. In making the determination, the budget agency shall include the following amounts:

(1) Amounts distributed to counties traversed by the Indiana Toll Road under section 6(a)(1) of this chapter.

- (2) Money distributed to the northwest Indiana regional development authority under this chapter.

(b) Notwithstanding any other law, the department, the authority, or an operator may not carry out any of the following activities under this article unless the general assembly enacts a statute authorizing that activity:

(b) If all or part of the project will consist of a tollway, the department shall take the following steps before the commencement of the procurement process under this chapter:

(1) The department shall cause to be prepared a preliminary feasibility study on that part of the project consisting of a tollway by a firm or firms internationally recognized in the preparation of studies or reports on the financial feasibility of proposed toll road projects. The preliminary feasibility study must be based upon a public-private financial and project delivery structure.

(2) After the completion of the preliminary feasibility study, the department shall schedule a public hearing on the proposed project and the preliminary feasibility study and publish notice of the hearing one (1) time in accordance with IC 5-3-1 at least seven (7) days before the hearing. Sec. 2. (a) This section establishes the competitive proposal procedure that the department shall use to enter into a public-private agreement with an operator under this article.

(b) The department may pursue a competitive proposal procedure using a request for qualifications and a request for proposals process or proceed directly to a request for proposals.

(c) If the department elects to use a request for qualifications phase, it must provide a public notice of the request for qualifications, for the period considered appropriate by the department, before the date set for receipt of submittals in response to the solicitation. The department shall provide the

notice by posting in a designated public area and publication in a newspaper of general circulation, in the manner provided by IC 5-3-1. In addition, submittals in response to the solicitation may be solicited directly from potential offerors.

(d) The department shall evaluate qualification submittals based on the requirements and evaluation criteria set forth in the request for qualifications.

(e) If the department has undertaken a request for qualifications phase resulting in one (1) or more prequalified or shortlisted offerors, the request for proposals shall be limited to those offerors that have been prequalified or shortlisted.

(f) If the department has not issued a request for qualifications and intends to use only a one (1) phase request for proposals procurement, the department must provide a public notice of the request for proposals for the period considered appropriate by the department, before the date set for receipt of proposals. The department shall provide the notice by posting in a designated public area and publication in a newspaper of general circulation, in the manner provided by IC 5-3-1. In addition, proposals may be solicited directly from potential offerors.

(g) The department shall submit a draft of the request for proposals to the budget committee for its review before the issuance by the department of the request for proposals to potential offerors. The request for proposals must:

(6) contain or incorporate by reference the other applicable contractual terms and conditions; and

(7) contain or incorporate by reference any other provisions, materials, or documents that the department considers appropriate.

(h) The department shall determine the evaluation criteria that are appropriate for each project and shall set those criteria forth in the request for proposals. (i) The department shall evaluate proposals based on the requirements and evaluation criteria set forth in the request for proposals.

(j) The department may select one (1) or more offerors for negotiations based on the evaluation criteria set forth in the request for proposals. If the department believes that negotiations with the selected offeror or offerors are not likely to result in a public-private agreement, or, in the case of a best value selection process, no longer reflect the best value to the state and the public, the department may commence negotiations with other responsive offerors, if any, and may suspend, terminate, or continue negotiations with the original offeror or offerors. If

negotiations are unsuccessful, the department shall terminate the procurement, may not award the public-private agreement, and may commence a new procurement for a public-private agreement. If the department determines that negotiations with an offeror have been successfully completed, the department shall, subject to the other requirements of this article, award the public-private agreement to the offeror.

(k) Before awarding a public-private agreement to an operator, the department shall schedule a public hearing on the proposed public-private agreement and publish notice of the hearing one (1) time in accordance with IC 5-3-1 at least seven (7) days before the hearing. (m) When the terms and conditions of multiple awards are specified in the request for proposals, awards may be made to more than one (1) offeror.

Sec. 3. (a) After the procedures required in this chapter have been completed, the department shall make a determination as to whether the successful offeror should be designated as the operator for the project and shall submit its decision to the governor and the budget committee.

(b) After review of the department's determination by the budget committee, the governor may accept or reject the determination of the department. If the governor accepts the determination of the department, the governor shall designate the successful offeror as the operator for the project. The department shall publish notice of the designation of the operator one (1) time, in accordance with IC 5-3-1.

(c) After the designation of the successful offeror as the operator for the project, the department may execute the public-private agreement.

The use by the department of any design element contained in an unsuccessful proposal is at the sole risk and discretion of the department and does not confer liability on the recipient of the stipulated amount under this section. After payment of the stipulated amount:

(b) The department may, in its discretion in accordance with IC 5-14-3, treat as confidential all records relating to discussions or negotiations between the department and potential offerors if those records are created while discussions or negotiations are in progress.

(c) Notwithstanding subsections (a) and (b), and with the exception of portions that are confidential under IC 5-14-3, the terms of the selected offer negotiated under this article shall be available for inspection and copying under IC 5-14-3 after negotiations with the offerors have been completed.

(d) When disclosing the terms of the selected offer under subsection (c), the department shall certify that the information being disclosed accurately and completely represents the terms of the selected offer.

any part of a qualifying project in accordance with the public-private agreement. In fixing these amounts, the department may:

All interest on delinquent contributions and penalties collected under this article, together with any voluntary contributions tendered as a contribution to this fund, shall be paid into this fund. The money shall not be expended or available for expenditure in any manner which would permit their substitution for (or a corresponding reduction in) federal funds which would in the absence of said money be available to finance expenditures for the administration of this article, but nothing in this section shall prevent said money from being used as a revolving fund to cover expenditures necessary and proper under the law for which federal funds have been duly requested but not yet received, subject to the charging of such expenditures against such funds when received. The money in this fund shall be used by the board for the payment of refunds of interest on delinquent contributions and penalties so collected, for the payment of costs of administration which are found not to have been properly and validly chargeable against federal grants or other funds received for or in the employment and training services administration fund, on and after July 1, 1945. Such money shall be available either to satisfy the obligations incurred by the board directly, or by transfer by the board of the required amount from the special employment and training services fund to the employment and training services administration fund. No expenditure of this fund shall be made unless and until the board finds that no other funds are available or can properly be used to finance such expenditures, except that expenditures from said fund may be made for the purpose of acquiring lands and buildings or for the erection of buildings on lands

so acquired which are deemed necessary by the board for the proper administration of this article. The board shall order the transfer of such funds or the payment of any such obligation or expenditure and such funds shall be paid by the treasurer of state on requisition drawn by the board directing the auditor of state to issue the auditor's warrant therefor. Any such warrant shall be drawn by the state auditor based upon vouchers certified by the board or the commissioner. - (1) is a member of the public employees' retirement fund;
- (2) has not attained vested status; and
- (3) is terminated from employment with the township as the result of a consolidation under IC 36-3-1-6.1;

may make the election described in subsection (b).

(b) A member described in subsection (a) may elect, in the manner prescribed by the board of trustees of the public employees' retirement fund, not later than sixty (60) days after the date the member separates from township service, to receive from the public employees' retirement fund a distribution under subsection (c).

(c) This subsection applies to a member who elects under subsection (b) to receive a distribution. The member is entitled to receive a distribution that is equal to the present value, as determined by the board on the member's separation date, of the pension portion of the monthly retirement benefit computed as if the member had been:

- (1) eligible for normal retirement; and
- (2) at least sixty-five (65) years of age;

on the member's separation date, multiplied by a fraction. The numerator of the fraction is the number of months of creditable service earned by the member as an employee of the state before the member's separation date. The denominator of the fraction is one hundred twenty (120).

(d) To the extent permitted by the Internal Revenue Code, the distribution under subsection (c) must be made directly to any of the following designated by the terminating employee:

- (1) An individual retirement account or annuity described in Section 408(a) or Section 408(b) of the Internal Revenue Code.
- (2) A qualified plan described in Section 401(a) or Section 403(a) of the Internal Revenue Code.
- (3) An annuity contract or account described in Section 403(b) of the Internal Revenue Code.
- (4) An eligible plan that is maintained by a state, a political subdivision of a state, or an agency or instrumentality of a state or political subdivision of a state under Section 457(b)

of the Internal Revenue Code.

(e) Creditable service used in computing a distribution under this section may not be used to compute a normal or early retirement benefit under this article.

(f) The board of trustees of the public employees' retirement fund may adopt reasonable procedures and standards to implement this section.

(g) This section applies only if the public employees' retirement fund has received from the Internal Revenue Service any approvals or rulings that the board of trustees of the public employees' retirement fund considers necessary or appropriate.

SECTION 2. IC 5-10.3-6-8.8 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 8.8. (a) This section applies when employees of a township in particular departmental, occupational, or other definable classifications are terminated from employment with the township as a result of a consolidation under IC 36-3-1-6.1.

(b) The township executive shall request coverage under this section from the board whenever an employee of the township is terminated as described in subsection (a).

(c) The board must approve a request from the township executive under subsection (b) unless approval violates subsection (i), federal or state law, or the terms of the fund.

(d) As used in this section, "early retirement" means a member is eligible to retire with a reduced pension under IC 5-10.2-4-1, because the member:

- (1) is at least fifty (50) years of age; and
- (2) has at least fifteen (15) years of creditable service.

(e) As used in this section, "normal retirement" means a member is eligible to retire under IC 5-10.2-4-1, because:

- (1) the member is at least sixty-five (65) years of age and has at least ten (10) years of creditable service;
- (2) the member is at least sixty (60) years of age and has at least fifteen (15) years of creditable service; or
- (3) the member's age in years plus the member's years of service is at least eighty-five (85) and the member is at least fifty-five (55) years of age.

(f) The withdrawal of the employees described in subsection (a) from the fund is effective on a termination date established by the board. The board may not establish a termination date that occurs before all of the following have occurred:

- (1) The township executive has requested coverage under this section and provided written notice of the following to the board:

- (A) The intent of the township to terminate the employees from employment.
- (B) The names of the terminated employees as of the date that the termination is to occur.

- (2) The expiration of a thirty (30) day period following the filing of the notice with the board.

- (3) The consolidated city complies with subsection (g).

(g) A member who is covered by subsection (f) and who, as of the date of the notice under subsection (f), is less than twenty-four (24) months from being eligible for normal or early retirement under IC 5-10.2-4-1 may elect to retire by purchasing the service credit needed for retirement under the following conditions:

- (1) The consolidated city shall contribute to the fund an amount determined under IC 5-10.2-3-1.2 that is sufficient to pay the member's contributions required for the member's purchase of the service credit the member needs to retire.
- (2) The maximum amount of creditable service that the consolidated city may purchase for a member under this subsection is twenty-four (24) months.
- (3) The benefit for the member shall be computed under IC 5-10.2-4-4 using the member's actual years of creditable service plus all other service for which the fund gives credit, including the creditable service purchased under this subsection.

(h) The board shall evaluate each withdrawal under this section to determine if the withdrawal affects the fund's compliance with Section 401(a) of the Internal Revenue Code of

1954, as in effect on September 1, 1974. The board may deny an employee permission to withdraw if the denial is necessary to achieve compliance with Section 401(a) of the Internal Revenue Code of 1954, as in effect on September 1, 1974.

SECTION 3. IC 6-1.1-18.5-10.4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10.4. (a) The ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a township, a county containing a consolidated city, or a fire protection district under IC 36-8-14.

(b) For purposes of computing the ad valorem property tax levy limit imposed on a township or a fire protection district under section 3 of this chapter, the township's, the county's, or the fire protection district's ad valorem property tax levy for a particular calendar year does not include that part of the levy imposed under IC 36-8-14.

SECTION 4. IC 6-1.1-18.5-21.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 21.5. The ad valorem property tax levy limits imposed by this chapter do not apply to ad valorem property taxes imposed by the consolidated fire department taxing district established in IC 36-3-1-6.4 to pay or fund the following:

(1) Any indebtedness of a township, a fire protection territory, or an excluded city that is related to fire protection facilities or fire protection equipment and is assumed, defeased, paid, or refunded by the consolidated city under IC 36-3-1-6.1 or IC 36-3-1-6.3.

(2) Any indebtedness issued by the consolidated city to pay for fire protection services, emergency services, or equipment, buildings, or land related to fire protection services or emergency medical services.

SECTION 5. IC 6-3.5-6-18.5, AS AMENDED BY P.L.234-2005, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18.5. (a) This section applies to a county containing a consolidated city.

(b) Notwithstanding section 18(e) of this chapter, the distributive shares that each civil taxing unit in a county containing a consolidated city is entitled to receive during a month equals the following:

(1) For the calendar year beginning January 1, 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month multiplied by the following factor:

Center Township	.0251
Decatur Township	.00217
Franklin Township	.0023
Lawrence Township	.01177
Perry Township	.01130
Pike Township	.01865
Warren Township	.01359
Washington Township	.01346
Wayne Township	.01307
Lawrence-City	.00858
Beech Grove	.00845
Southport	.00025
Speedway	.00722
Indianapolis/Marion County	.86409

(2) Notwithstanding subdivision (1), for the calendar year beginning January 1, 1995, the distributive shares for each civil taxing unit in a county containing a consolidated city shall be not less than the following:

Center Township	\$1,898,145
Decatur Township	\$164,103
Franklin Township	\$173,934
Lawrence Township	\$890,086
Perry Township	\$854,544
Pike Township	\$1,410,375
Warren Township	\$1,027,721
Washington Township	\$1,017,890
Wayne Township	\$988,397
Lawrence-City	\$648,848
Beech Grove	\$639,017
Southport	\$18,906
Speedway	\$546,000

(3) For each year after 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month as follows:

STEP ONE: Determine the total amount of revenues that were distributed as distributive shares during that month in calendar year 1995.

STEP TWO: Determine the total amount of revenue that the department has certified as distributive shares for that month under section 17 of this chapter for the calendar year.

STEP THREE: Subtract the STEP ONE result from the STEP TWO result.

STEP FOUR: If the STEP THREE result is less than or equal to zero (0), multiply the STEP TWO result by the ratio established under subdivision (1).

STEP FIVE: Determine the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for each civil taxing unit for the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for all civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

STEP SIX: If the STEP THREE result is greater than zero (0), the STEP ONE amount shall be distributed by multiplying the STEP ONE amount by the ratio established under subdivision (1).

STEP SEVEN: For each taxing unit determine the STEP FIVE ratio multiplied by the STEP TWO amount.

STEP EIGHT: For each civil taxing unit determine the difference between the STEP SEVEN amount minus the product of the STEP ONE amount multiplied by the ratio established under subdivision (1). The STEP THREE excess shall be distributed as provided in STEP NINE only to the civil taxing units that have a STEP EIGHT difference greater than or equal to zero (0).

STEP NINE: For the civil taxing units qualifying for a distribution under STEP EIGHT, each civil taxing unit's share equals the STEP THREE excess multiplied by the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for the qualifying civil taxing unit during the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for all qualifying civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

(c) Except with respect to Center Township, if a consolidated fire department is established under IC 36-3-1-6.1, beginning with the calendar year following the consolidation and for each year thereafter, a percentage of the revenues to be distributed as distributive shares during each year to a township that has consolidated its fire department shall instead be distributed to the consolidated fire department taxing district and deposited in the consolidated fire department taxing district fund. The percentage to be distributed to the consolidated fire department taxing district shall be equal to the percentage, if any, of the township's distributive shares received in the 2006 budget year that are used by the township for fire protection services.

(d) If Lawrence, Beech Grove, Southport, or Speedway consolidates its fire department into the consolidated fire department under IC 36-3-1-6.3, beginning with the calendar

year following the consolidation and for each year thereafter, the monthly distributive share of county option income taxes distributed to Lawrence, Beech Grove, Southport, or Speedway, as applicable, shall be reduced by a percentage set forth in the ordinances adopted under IC 36-3-1-6.3, and those revenues shall instead be distributed to the consolidated fire department taxing district and deposited in the consolidated fire department taxing district fund.

SECTION 6. IC 8-1.5-5-32, AS ADDED BY SEA 71-2006, SECTION 1, AND HEA 1212-2006, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 32. (a) This section applies to excluded cities and towns in a county containing a consolidated city.

(b) A municipality to which this section applies may withdraw from the district established by the consolidated city if the municipal legislative body adopts an ordinance withdrawing the municipality from the district. The municipal legislative body shall, at least thirty (30) days before the final vote on the ordinance, mail written notice of the meeting to the following:

(d) In addition to the notice required by subsection (b), if a municipal legislative body adopts an ordinance under subsection (b), the municipal legislative body shall mail written notice of the withdrawal from the district to the department of public works of the consolidated city not more than thirty (30) days after the ordinance becomes effective.

(e) If on the date of a municipality's withdrawal from the district there are bonds outstanding that have been issued by the board of public works of the consolidated city, the municipality is liable for and shall pay that indebtedness in the same ratio as the assessed valuation of the property in the municipality bears to the assessed valuation of all property included in the district on the date one (1) day before the date of withdrawal, as shown in the most recent assessment for taxation before the date of withdrawal.

(f) If a municipal legislative body adopts an ordinance under subsection (b), the ~~district~~ **municipality** is entitled to receive the following:

(1) An annual lump sum payment equal to the total amount of property taxes paid and allocated to the district's flood debt service fund from all property taxpayers within the municipality, to the extent the property taxes are not necessary to pay the indebtedness owed by the municipality under subsection (e). A payment under this subdivision is required for property taxes assessed beginning on the January 1 preceding the effective date of the municipality's withdrawal from the district.

(1) shall be deposited by the municipality in a dedicated fund; and

(2) may be used by the municipality only for purposes of storm water management in the municipality and may not be diverted, directly or indirectly, in any manner to any use other than the purposes of storm water management in the municipality.

- (2) A straight rail fence four and one-half (4 ½) feet high.
- (3) A worm rail fence five (5) feet high.

(g) This subsection applies if a ditch or creek crosses the division line between two (2) property owners, causing additional expense in the maintenance of the part over the stream. If the property owners cannot agree upon the proportionate share of each property owner, the township trustee shall appoint three (3) disinterested citizens who shall apportion the partition fence to be built by each property owner.

(h) If a township trustee is:

- (1) related to any of the interested property owners; or
- (2) an interested property owner;

the trustee of any other township who resides nearest to where the fence is located shall appoint another official to act under this chapter.

The partition fences shall be built and maintained under this chapter as near to the boundary line as is practical, and each property owner shall build a separate partition fence on the property owner's property and maintain the fence at the property owner's cost.

(j) This subsection applies where a partition fence required under this chapter crosses a ditch or creek and it is impracticable to construct or maintain that portion of the fence that crosses the ditch or creek as a stationary fence. Instead of the portion of the fence that would cross the ditch or creek, there shall be constructed, as a part of the partition fence, floodgates or other similar structures that are sufficiently high, tight, and strong to turn hogs, sheep, cattle, mules, and horses or other domestic animals. The floodgates or other similar structures shall be constructed to swing up in times of high water and to connect continuously with the partition fences.

(k) This subsection applies if the building and maintenance of the floodgates or other similar structure required under subsection (j) causes additional expenses and the property owners cannot agree upon the character of floodgates or other similar structure, or upon the proportionate share of the cost to be borne by each property owner. The township trustee, upon notice in writing from either property owner of a disagreement and the nature of the disagreement, shall appoint three (3) disinterested citizens of the township who shall determine the kind of structure and apportion the cost of the floodgate or other structure between the property owners, taking into consideration the parts of the fence being maintained by each property owner.

(l) The determination of a majority of the arbitrators of any matter or matters submitted to them under this section is final and binding on each property owner. The compensation of the arbitrators is two dollars (\$2) each, which shall be paid by the property owners in the proportion each property owner is ordered to bear the expense of a gate or structure.

(m) This subsection applies if either or both of the property owners fail to construct or compensate for constructing the structure determined upon by the arbitrators in the proportion determined within thirty (30) days after the determination. The township trustee shall proceed at once to construct the gate or structure and collect the cost of the gate or structure, including the compensation of the arbitrators, from the defaulting property owner in the same manner as is provided for ordinary partition fences. The floodgate or other structure shall be repaired, rebuilt, or replaced according to the determination of the arbitrators.

SECTION 41. IC 36-3-1-6.4 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6.4. (a) This section applies only to a county having a consolidated city and only if a consolidated fire department is established in the county under section 6.1 of this chapter.

(b) As used in this section, "taxing district" refers to the consolidated fire department taxing district established in subsection (c).

(c) If a consolidated fire department is established under section 6.1 of this chapter, the consolidated fire department taxing district is established in the county. The taxing district consists of all territory in the county except territory of an excluded city that has not consolidated its fire department under section 6.3 of this chapter.

(d) Subject to subsection (f), the taxing district shall levy a property tax within the territory of the taxing district to pay for the following:

- (2) Providing any equipment, buildings, or land that is necessary for the consolidated fire department and for providing fire protection services and emergency ambulance services within the territory of the taxing district.

The property tax levy under this section is separate from other property tax levies of the consolidated city, and a separate maximum permissible property tax levy shall be collected for the taxing district. All revenue collected from the tax levied under this subsection shall be deposited in a consolidated fire department fund.

(e) Subject to subsection (f), the taxing district shall levy a property tax within the territory of the taxing district to pay for the following:

- (1) Any indebtedness related to fire protection facilities or fire protection equipment assumed, defeased, paid, or refunded under section 6.1 or 6.3 of this chapter.

The property tax levy collected under this subsection shall be deposited in a consolidated fire department debt service fund.

(f) This subsection applies only during the first four (4) calendar years that the taxing district levies a property tax under this section. Notwithstanding any other statute, the total property tax rate imposed by the taxing district for a year in those parts of the taxing district that are within a particular township, but not within the boundaries of the fire special service district, may not exceed the total property tax rate imposed by the township (and a fire protection territory in the township) for fire protection services (including property taxes imposed for debt related to fire protection services) in the year preceding the year in which the taxing district first levies a property tax under this section.

(g) Money in the consolidated fire department fund shall be used for the purposes described in subsection (d), and money in the consolidated fire department debt service fund shall be used for the purposes described in subsection (e). The controller of the consolidated city shall administer the funds and is responsible for the issuance of warrants for payments from the funds.

(h) Property taxes to fund the pension obligation under IC 36-8-7 for members of the 1937 firefighters fund who are employees or retired employees of the consolidated city on the later of December 31, 2007, or the day preceding the effective date of the consolidation specified under IC 36-3-1-6.1 by the legislative body of the consolidated city may be levied only by the fire special service district created by section 6 of this chapter within the territory of the fire special service district and may not be levied by the taxing district.

- (1) the liability for the payment of pension obligations under IC 36-8-7 for members of the 1937 firefighters fund who are employees or retired employees of the township or excluded city at the time of the consolidation remains with the township or excluded city; and
- (2) property taxes to fund the township's or excluded city's pension obligation described in subdivision (1) may be imposed by the township or excluded city only within the township or excluded city.

(j) For property taxes first due and payable in the first calendar year in which property taxes are imposed under this section in the taxing district, the maximum permissible ad valorem property tax levy of the taxing district under IC 6-1.1-18.5 is equal to the sum of:

 - (A) township;
 - (B) airport authority; or
 - (C) fire protection territory;

- (2) the amount paid from the consolidated city's property tax levy during the preceding year for fire protection and related services (excluding debt); and
- (3) the amount paid from the fire special service district's property tax levy during the preceding year for fire protection and related services, excluding amounts paid from the fire special service district's property tax levy to pay the consolidated city's pension obligation under IC 36-8-7 for members of the 1937 firefighters' pension fund.

However, the department of local government finance shall adjust any budgets, tax rates, and tax levies of the consolidated city, townships in the county, the taxing district, excluded cities that have consolidated fire departments under section 6.3 of this chapter, and the airport authority as necessary to reflect the establishment of a consolidated fire department.

(k) For property taxes first due and payable in the first calendar year in which property taxes are imposed under this section in the taxing district, the maximum permissible ad valorem property tax levy under IC 6-1.1-18.5:

- (1) is decreased for each township, the airport authority, and any fire protection territory by the amount included in the taxing district's maximum permissible ad valorem property tax levy under subsection (j)(1) from the township, airport authority, or fire protection territory;
- (2) is decreased for the consolidated city by the amount included in the taxing district's maximum permissible ad valorem property tax levy under subsection (j)(2); and
- (3) is decreased for the fire special service district by an amount equal to the amount included in the taxing district's maximum permissible ad valorem property tax levy under subsection (j)(3).

(I) The maximum levy for a consolidated city is increased for property taxes first due and payable in the year that property taxes are first imposed under this section and each subsequent calendar year by an amount equal to the lesser of:

- (1) the difference between:
 - (A) the maximum levy for the current year for the consolidated city's fire special service district created under section 6 of this chapter; and
 - (B) the amount levied for the current year for the fire special service district; or

- (2) containing the terms, conditions, exceptions, and other matters incorporated by reference under which a title insurer will issue a title insurance policy.

Sec. 23. As used in this chapter, "title insurance subagent" means a person, other than a bona fide employee of a title insurance agent, who on behalf of a title insurance agent determines insurability and issues a title insurance report or title insurance policy, or both, based on the performance or review of a title search or abstract of title. The term does not include a licensed attorney that performs legal services, including title examination or closing services.

Sec. 24. As used in this chapter, "title insurer" means the following:

- (1) A company organized under Indiana law to transact title insurance business.
- (2) A foreign title insurer or alien title insurer that is licensed in Indiana to transact title insurance business.

Sec. 25. As used in this chapter, "underwrite" means to accept or reject risk:

- (1) on behalf of a title insurer; and
- (2) under authority granted by the title insurer.

Sec. 26. (a) The commissioner shall adopt rules under IC 4-22-2 to establish criteria and a process for licensure of the following:

- (1) A title agency.
- (2) A title insurance agent.

(b) A license may be issued under this section if each person named on the license possesses all qualifications determined appropriate by the commissioner.

(c) A person shall not act as a title agency or title insurance agent, and a title insurer may not contract with a person to act as a title agency or title insurance agent, with respect to risks located in Indiana unless the person is licensed under this section as a title agency, title insurance agent, or licensed attorney in Indiana.

(d) An individual:

- (1) employed by or contracted by a title agency, title insurance agent, or title insurer;
- (2) to whom the title agency, title insurance agent, or title insurer delegates authority to act on the title agency's, title insurance agent's, or title insurer's behalf; and

(3) who engages in title insurance business; shall be individually licensed under this section. This subsection does not require licensure of an individual who performs only clerical or administrative functions, including quoting title insurance fees.

(e) An applicant for a title agency license or a title insurance agent license under this section must also satisfy the requirements of IC 27-1-15.6 that apply to the title agency or title insurance agent.

(f) A title insurer that engages or employs a title agency shall file with the department, on a form prescribed by the department, an application certifying that the proposed title agency meets both of the following requirements:

(1) The title agency has obtained a fidelity bond in an amount that is acceptable to the title insurer, but not less than fifty thousand dollars (\$50,000).

(2) The title agency has obtained an errors and omissions insurance policy:

- (A) that provides coverage for an opinion of title;
- (B) from an insurer that is acceptable to the title insurer; and
- (C) in an amount acceptable to the title insurer, but not less than two hundred fifty thousand dollars (\$250,000) per claim with an aggregate limit.

The department shall adopt rules under IC 4-22-2 to specify an alternative method of compliance with subdivisions (1) and (2) if a fidelity bond or errors and omissions insurance is generally unavailable.

(g) A title agency shall provide to a title insurer with which the title agency places title insurance business, in a timely manner, information requested by the title insurer to comply with reporting requirements of the department.

(h) To obtain an initial license under this section, a title agency shall comply with the requirements of section 27(a) of this chapter.

Sec. 27. (a) To obtain an initial license under section 26 of this chapter, a title agency shall:

(1) have deposited with the department securities of the type described in IC 27-1-13-3(b) and having at all times a market value of not less than ten thousand dollars (\$10,000); or

(2) post a surety bond of not less than ten thousand dollars (\$10,000) payable to the department;

to secure the title agency's performance of the title agency's duties and responsibilities under the contract described in section 30 of this chapter and entered into between the title agency and each title insurer for which the title agency is appointed. If a surety bond is generally unavailable, the department may adopt rules under IC 4-22-2 to establish alternative methods by which a title agency may comply with this subsection.

(b) The deposit made or bond posted under subsection (a) is for the benefit of a person insured under a title insurance policy and damaged by the title agency's violation of this chapter or of a contractual duty or responsibility described in subsection (a).

(c) A title insurer shall not, directly or indirectly on behalf of a title agency, provide a deposit or bond required under subsection (a).

(d) A title agency may:

(1) exchange or substitute securities:

- (A) described in IC 27-1-13-3(b); and
- (B) of like quality and value;

for securities on deposit;

(2) receive interest and other income accruing on securities deposited; and

(3) at reasonable times, inspect a deposit of securities made; under subsection (a)(1).

(e) If a properly documented claim is timely filed with the department by a person described in subsection (b), the department may remit to the person in payment of the claim an appropriate amount of:

- (1) a deposit made under subsection (a); or
- (2) proceeds that are received from the surety.

(f) A deposit or bond described in subsection (a) must remain unimpaired while the title agency continues in business in Indiana

and for one (1) year after termination of all title agency appointments held by the title agency. If there are no claims outstanding against the deposit or bond one (1) year after termination of the appointments, the department shall return the deposit or bond and any accrued interest to the title agency.

Sec. 28. (a) A title agency or title insurance agent that is licensed under section 26 of this chapter shall comply with the requirements of IC 27-1-15.7 that apply to the title agency or title insurance agent.

(b) A continuing education course must be approved under IC 27-1-15.7-4.

(c) An individual who teaches an approved course of instruction or lectures at an approved seminar qualifies for the same number of continuing education hours as would be granted to an individual who takes and successfully completes the course or seminar.

(d) The department may grant an individual waiver of the continuing education requirements of IC 27-1-15.7 upon a showing by a licensee that it is not feasible for the licensee to satisfy the requirements before the licensee's license renewal date for an acceptable reason, including the licensee's:

- (1) serious physical injury or illness; or
- (2) active duty in the armed services for an extended period.

(e) An individual who is subject to this section shall furnish, in a manner satisfactory to the department, certification of the individual's completion of courses, programs, or seminars required by this section.

Sec. 29. (a) In addition to the requirements of sections 26(f) and 27 of this chapter, the commissioner may require a title insurance agent to maintain, for the benefit of a title insurer, an insured, or a depositor, under terms and conditions to be prescribed by the commissioner, in amounts commensurate with the title insurance agent's average exposure and the volume and nature of the title insurance agent's business, a sufficient net worth to ensure the title insurance agent's solvency and commitment to the purpose of being a title insurance agent.

(b) In determining the precise amount and terms and conditions described in subsection (a), the commissioner may adopt rules under IC 4-22-2 that:

- (1) specify acceptable alternatives to the net worth requirements described in subsection (a); and
- (2) exempt certain persons from complying with all or part of the net worth requirements described in subsection (a) or specified alternatives to the net worth requirements by virtue of:

- (A) the person's actual or expected volume of business; or
- (B) individual circumstances that show that the requirements would pose an undue hardship on the title insurance agent and the title insurance agent's services will be needed by and desirable to insureds.

(c) The commissioner may adopt rules under IC 4-22-2 to specify information that must be provided to evidence sufficiency of a title insurance agent's net worth as described in subsection (a).

(d) Financial information provided to evidence sufficiency of a title insurance agent's net worth under this section is confidential.

(e) A title insurance agent shall perform, through the title insurance agent's bona fide employees, primary title services to receive compensation for the services the title insurance agent renders.

Sec. 30. (a) A person, firm, association, or corporation that acts as a title insurance agent shall not place title insurance business with a title insurer unless a written contract is in force between the title insurance agent and the title insurer that:

- (1) specifies the responsibilities of each party;
- (2) if both parties share responsibility for a particular function, specifies the division of the responsibilities; and
- (3) contains the following minimum provisions:

(A) The title insurer may terminate the contract upon written notice if one (1) of the following occurs:

- (i) Fraud, insolvency, appointment of a receiver or conservator, bankruptcy, cancellation of the title insurance agent's license to do title insurance business,

or the commencement of legal proceedings by the state of domicile of the title insurance agent that, if successful, will lead to cancellation of the title insurance agent's license to do title insurance business.

(ii) Material breach of a provision of the contract.

(iii) Notice of cancellation is provided in accordance with contract termination requirements.

(B) Upon notice of termination, the title insurance agent shall immediately discontinue all underwriting on behalf of the title insurer.

This subdivision does not relieve a title insurance agent or title insurer of a contractual obligation not specified in this subdivision.

(b) A title insurance agent shall render accounts detailing all transactions, and remit all funds, due to a title insurer under the contract described in subsection (a) to the title insurer before the later of the following:

(1) Forty-five (45) days after the end of the month of the effective date of the title insurance policy.

(2) Within the time specified by the underwriting contract.

(c) Funds collected by a title insurance agent for the account of a title insurer:

(1) must be held in a fiduciary capacity in a bank that is a qualified financial institution; and

(2) are the property of the title insurer for whom the funds are collected.

(d) A title insurance agent shall keep records concerning funds described in subsection (c) in a manner that permits identification of funds that belong to a particular title insurer.

(e) At a title insurer's request, a title insurance agent or a title insurance agent's successor in interest, transferee, or receiver shall provide access to and the right to copy all escrow files and underwriting files involving a transaction in which a title insurance report or title insurance policy is issued or will be issued by the title insurance agent.

(f) A title insurance agent shall provide to a title insurer access to and a right to copy accounts and records maintained by the title insurance agent with respect to title insurance business placed with the title insurer.

(g) A contract described in subsection (a) may not be assigned in whole or in part by a title insurance agent without the expressed written consent of the title insurer.

(h) It is the duty of a title insurance agent to immediately report and forward to a title insurer all title related escrow claims and title claims reported to the title insurance agent by a policyholder or another person. However, if the contract described in subsection (a) permits the title insurance agent to settle claims on behalf of the title insurer:

(1) the title insurance agent shall send a copy of the claim file to the title insurer at the title insurer's request or as soon as it is known by the title insurance agent that the claim:

(A) has the potential to exceed an amount established by the title insurer;

(B) involves a coverage dispute;

(C) may exceed the title insurance agent's claims settlement authority;

(D) is open for more than six (6) months; or

(E) is closed by payment exceeding an amount established by the title insurer;

(2) files related to title and title related escrow claims settled by the title insurance agent are the property of the title insurer; and

(3) the title insurer may:

(A) suspend a settlement authority granted to the title insurance agent during a pending dispute regarding a cause for termination of the contract described in subsection (a); or

(B) upon:

(i) the title insurer's written notice to the title insurance agent; or

(ii) the termination of the contract described in subsection (a);

immediately terminate a settlement authority granted to

the title insurance agent.

This subdivision does not relieve a title insurance agent or title insurer of any other contractual obligation.

(i) If electronic claims files exist in the records of a title insurance agent, the contract described in subsection (a) must address the immediate transmission of the data contained in the electronic claims files.

(j) A title insurance agent shall not:

- (1) bind reinsurance or retrocession on behalf of a title insurer; or
- (2) appoint a title insurance subagent, without the expressed written consent of the title insurance underwriter that provides underwriting services under a contract with a title insurer.

(k) The contract described in subsection (a) must include specific terms of a title insurance agent's compensation.

(l) A title insurance agent shall maintain an inventory of title insurance policy forms or title insurance policy numbers assigned to the title insurance agent by a title insurer.

(m) A title insurance agent shall:

- (1) annually;
- (2) within a time specified by the contract described in subsection (a); or
- (3) concurrent with the renewal date of the title insurance agent's contract with a title insurer;

furnish a title insurer with proof that the title insurance agent is in compliance with section 26 of this chapter.

(n) A:

- (1) title insurer; or
- (2) title insurance agent on behalf of a title insurer;

shall issue a title insurance policy not later than sixty (60) days after all conditions or requirements specified in the title insurance report have been satisfied. However, if a title insurance policy cannot be issued within the period set forth in this subsection due to an act of God or war, the policy must be issued within a reasonable period determined by the department.

Sec. 31. (a) If:

- (1) a title insurance agent or title insurer provides settlement services and issues a lender's title insurance policy in conjunction with a mortgage loan made simultaneously with the purchase of all or part of residential real estate securing the loan; and
- (2) an owner's title insurance policy has not been requested;

the title insurance agent or title insurer shall, at the time the title insurance report is prepared, provide written notice described in subsection (b) to the purchaser-mortgagor or the purchaser-mortgagor's representative.

(b) Notice provided under subsection (a) must explain:

- (1) that a lender's title insurance policy will be issued to protect the mortgage lender;
- (2) that the lender's title insurance policy does not provide title insurance protection to the purchaser-mortgagor as the owner of the property being purchased;
- (3) what an owner's title insurance policy insures against;
- (4) what possible risks exist for the purchaser-mortgagor that could be insured against through the purchase of an owner's title insurance policy; and
- (5) that the purchaser-mortgagor may obtain an owner's title insurance policy protecting the property owner for an additional cost.

(c) A title insurer or title insurance agent shall, at the time the title insurance report is prepared, provide written notice to all parties that receive the title insurance report that a closing protection letter may be purchased.

(d) The department shall adopt rules under IC 4-22-2 to specify the content of each notice required under this section.

Sec. 32. (a) A title insurance agent shall maintain sufficient records of the title insurance agent's affairs, including the title insurance agent's escrow operations and escrow trust accounts, to allow the commissioner to adequately ensure that the title insurance agent is in compliance with this chapter.

(b) The commissioner may prescribe:

- (1) specific record entries and documents that must be maintained under subsection (a); and

- (2) the length of time for which the records and documents must be maintained.

Sec. 33. (a) A title insurance agent, an officer, a director, or an employee of a title insurance agent, or a person associated with a title insurance agent or an officer, a director, or an employee of a title insurance agent, who:

- (1) is an independent contractor for bookkeeping or similar purposes; and
- (2) knowingly or intentionally converts or misappropriates funds received or held in escrow or in trust by the title insurance agent;

or a person who knowingly or intentionally receives or conspires to receive funds described in subdivision (2) commits an offense described in IC 35-43-9-7.

(b) If a title insurance agent or title agency defalcates, converts, or misappropriates funds held by the title insurance agent or title agency and the title insurance agent or title agency is convicted of an offense under IC 35-43-9-7, the following apply:

- (1) The title insurer is liable for the defalcation, conversion, or misappropriation by the title insurance agent or title agency.
- (2) If the title insurance agent or title agency is a title insurance agent or title agency for two (2) or more title insurers, the liability must be borne by the title insurer upon which a title insurance report or title insurance policy was issued before the illegal act.

However, a title insurer's liability under this subsection is limited to the amount payable under a title insurance policy issued or committed, or a closing protection letter issued, in connection with the real estate closing or escrow in relation to which the defalcation, conversion, or misappropriation is committed, plus reasonable attorney's fees.

(c) A title insurer shall, at least annually, conduct an on-site review of the underwriting, claims, and escrow practices of a title insurance agent, including a review of the title insurance agent's title insurance policy blank inventory and processing operations. If the title insurance agent does not maintain separate bank or trust accounts for each title insurer that the title insurance agent represents, the title insurer shall verify that the funds held on the title insurer's behalf are reasonably ascertainable from the books of account and records of the title insurance agent.

Sec. 34. (a) The commissioner shall establish a title insurance enforcement unit to enforce this chapter.

(b) The title insurance enforcement unit shall do the following:

- (1) Investigate deceptive acts in connection with title insurance.
- (2) Investigate violations of this chapter.
- (3) Cooperate with federal, state, and local law enforcement agencies in the investigation of:

- (A) deceptive acts in connection with title insurance; and
- (B) violations of the federal Real Estate Settlement Procedures Act (12 U.S.C. 2601 et seq.).

(c) The following may cooperate with the title insurance enforcement unit, including sharing information that is otherwise confidential, to enforce compliance with this chapter:

- (1) The professional licensing agency and appropriate licensing boards with respect to a person licensed under IC 25.
- (2) The department of financial institutions.
- (3) The securities division of the office of the secretary of state.
- (4) The supreme court disciplinary commission, with respect to attorney misconduct.
- (5) The housing and community development authority.
- (6) The department of state revenue.
- (7) The state police department.
- (8) A prosecuting attorney.
- (9) Local law enforcement agencies.
- (10) The Indiana real estate commission.

(d) The commissioner may file a complaint with an entity specified in subsection (c) to enforce this chapter.

(e) This section does not limit the jurisdiction of an entity described in subsection (c).

Sec. 35. The commissioner may adopt rules under IC 4-22-2 to implement this chapter.

Sec. 36. (a) If the commissioner, after notice and hearing under IC 4-21.5, determines that a person has violated this chapter, the commissioner may:

- (1) impose a civil penalty of not more than ten thousand dollars (\$10,000) for each violation; and
- (2) if the person is a title insurance agent, order revocation or suspension of the title insurance agent's license.

(b) If an order of rehabilitation or liquidation of a title insurer has been entered under IC 27-9, and:

- (1) the receiver appointed under the order determines that a title insurance agent or another person has violated this chapter; and
- (2) the title insurer has suffered a resulting loss or damage; the receiver may maintain a civil action for recovery of damages or other appropriate sanctions for the benefit of the title insurer and the title insurer's policyholders and creditors.

(c) This section does not:

- (1) affect the right of the commissioner to impose another penalty under this title; or
- (2) limit or restrict the rights of policyholders, claimants, or creditors.

Sec. 37. The commissioner or attorney general may bring an action in a court with jurisdiction to enjoin violations of the federal Real Estate Settlement Procedures Act (12 U.S.C. 2601 et seq.)

to the counties of Dubois, Gibson, Pike, Posey and Spencer in the form of a tornado and severe storms that cut a path of death and destruction 3/4 of a mile wide and 20 miles long;

Whereas, Twenty-two (22) people lost their lives and over 200 were injured, many while asleep and unaware of the extreme weather conditions including wind speeds in excess of 200 miles an hour;

Whereas, Almost 500 homes and businesses were destroyed and 21,000 were left without power;

Whereas, During his years as executive director of the Indiana Optometric Association, Ron felt that to be a truly effective administrator, the executive director must personally experience the legislative process and its effect on the association;

Whereas, Therefore, Ron could be seen daily in the halls of the State House ensuring that the best interests of his organization were being met;

Whereas, Ron was dedicated to making sure that he was fully informed regarding all the issues affecting his association;

Whereas, Ron believed that grassroots work and collaboration were the keys to success for the Indiana Optometric Association and helped its local societies around the state put on a pre-legislative conference to bring health care issues to the attention of legislators and candidates; and

Whereas, At the end of this year, Chief Noel will have completed 40 years of service with the Greendale Fire Department and plans to retire;

Whereas, Chief Noel has always believed that training made the difference between a good department and a great department and has promoted at least two training sessions per month since becoming Chief;

Whereas, Along with his duties at the fire department, Chief Noel has trained and worked with his search dog, Sammy, for the last four

years. They have aided several police departments in searches for missing persons;

Senate Concurrent Resolution 5

Senate Concurrent Resolution 5, introduced by Senator Nugent:

A CONCURRENT RESOLUTION to honor State Senator Allen E. Paul for his heroic actions on September 19, 1968, and to recognize him for being awarded a Bronze Star Medal with a valor device.

Whereas, While serving as a radio-telephone operator with Battery A, 1st Battalion (Airmobile), 77th Artillery during a combat mission in the Republic of Vietnam, then Private First Class Allen Paul performed a heroic deed;

Whereas, On September 19th, 1968, his unit became heavily engaged with a large enemy force and sustained several casualties;

Whereas, With complete disregard for his own safety, Private First Class Paul volunteered to move forward in an attempt to reach the wounded soldiers;

Whereas, Exposing himself to intense hostile fire, Private First Class Paul crossed an open area to administer first aid and evacuate

the injured men;

Whereas, Private First Class Paul's actions saved the lives of several fellow soldiers;

Whereas, The Bronze Star Medal is awarded to any person who, while serving in any capacity in or with the military of the United States after December 6, 1941, distinguished himself by heroic or meritorious achievement or service while engaged in an action against an enemy of the United States;

Whereas, The Bronze Star Medal is a United States Armed Forces individual military decoration and is the fourth highest award for bravery, heroism or meritorious service;

Whereas, Private First Class Paul was awarded a Bronze Star Medal with a valor device in 1968; however, since the medal allocation system in place at that time allowed for the distribution of only a few medals per month, Private First Class Paul did not receive his medal, but instead received an Army Commendation Medal;

Whereas, On October 2, 2005, in a ceremony dedicating Freedom Park in Portland, Indiana, U.S. Representative Mike Pence presented the Bronze Star Medal with a valor device to Allen Paul;

Whereas, This was the second Bronze Star Medal received by Allen Paul. His first was for meritorious service during a battle in which his unit participated. The ribbon worn for the first medal carries the "M" device;

Whereas, In his capacity as a State Senator, Allen Paul has worked tirelessly to assure that other veterans have received their long overdue recognition; and

Whereas, Senator Allen Paul risked his life in order to save others and it is fitting that the Indiana General Assembly acknowledge the sacrifice and dedication of one of its own members: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the Indiana General Assembly recognizes Senator Allen E. Paul for his exemplary service in the United States Army and congratulates him on being awarded and receiving a Bronze Star Medal with a valor device for his dedication to the United States of America.

House Concurrent Resolution 6, sponsored by Senator Drozda:

A CONCURRENT RESOLUTION recognizing Kokomo, Indiana, on the occasion of the 150th anniversary of its founding.

Whereas, Kokomo was originally part of a tract of land known as the Big Miami Reserve and given to the Miami Indians in a treaty signed in 1818;

Whereas, In the years following the signing of this treaty, the Miami Indians sold most of this land to the state of Indiana and began moving west to the Kansas Territory;

Whereas, During that time, a Miami chief named Jean Baptiste de Richardville was awarded seven sections of land in Indiana in what is now Howard County;

Whereas, After de Richardville's death in 1841, his son-in-law, Francis Lafountain, took over as chief and sold some of the land along Wildcat Creek to Allen Hamilton;

Whereas, This land along Wildcat Creek, which Hamilton later sold to David Foster for a sum of \$4,000, became the city of Kokomo;

Whereas, Foster constructed a log cabin to serve as a trading post and a family home, naming the land Ko-Ko-Mo after a Miami Indian named Ma-Ko-Ko-Mo;

Whereas, Foster's original cabin became the first church and school in the community;

Whereas, Kokomo's future changed dramatically with the discovery of a huge natural gas well by the Kokomo Natural Gas & Oil Co. in 1886, attracting several factories and businesses and increasing employment and commerce in Howard County;

Whereas, The increased commerce caused close to 250 new houses to be built in Kokomo;

Whereas, Unfortunately, excessive use and waste of the gas took its toll, and by the end of the 1890's, the gas was almost gone;

Whereas, During these years, Elwood Haynes came to Kokomo;

Whereas, Haynes invented such things as the first successful "Horseless Carriage", Stellite alloy, and stainless steel and put Howard County on the map, and is the major reason Kokomo is called the "City of Firsts";

Whereas, Through the years, Kokomo has continued to grow and develop into a world-class city offering its residents many cultural,

educational, and economic opportunities;

Whereas, Kokomo was recently named the number one city in the United States for European manufacturing investments by Expansion Management Magazine, Industry Week ranked Kokomo first in the United States and eighth worldwide as a Manufacturing Metropolitan Area, and Entrepreneur magazine and the National Policy Research Council named Kokomo as one of the nation's hottest places for entrepreneurs, ranking it 97th in the rapid growth category and 105th overall in the small cities division; and

Whereas, The residents of Kokomo should be extremely proud of their city, which sets an example for cities throughout the United States to emulate: Therefore,

Senate Concurrent Resolution 7, introduced by Senator Heinold:

A CONCURRENT RESOLUTION promoting the use of the "A Child is Missing" program.

Whereas, A Child is Missing ("ACIM") was founded in 1996 as a nonprofit organization headquartered in Fort Lauderdale, Florida;

Whereas, ACIM is devoted to assisting law enforcement in search and early recovery efforts during the critical initial hours following the disappearance of a child or an elderly or disabled person with a rapid-response neighborhood notification program;

Whereas, ACIM's services, which can be initiated only by law enforcement officials, are currently available in 13 different states, including Indiana;

Whereas, ACIM uses high-tech telephony to make 1,000 calls in 60 seconds, allowing ACIM to rapidly reach thousands of people in the area surrounding a disappearance;

Whereas, At least 83 individuals have been recovered using the services of ACIM, at least four of whom were located in Indiana; and

Whereas, ACIM is a beneficial resource and the Indiana General Assembly seeks to promote awareness of this service and encourage all Indiana law enforcement officials to use the program: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. The Indiana General Assembly encourages all law enforcement officials throughout Indiana to use the "A Child is Missing" program to assist in locating a child or an elderly or disabled person who has disappeared.

SECTION 2. The Secretary of the Senate is directed to transmit copies of this resolution to the Indiana Sheriff's Association, the Indiana Association of Cities and Towns, and the Indiana Fraternal Order of Police.

Whereas, Court cases involving commercial motor vehicles and commercial driver's licenses are technical and complicated cases that place an undue burden on local trial courts in Indiana; and

Whereas, The creation of a new commercial vehicle court with exclusive jurisdiction over CMV and CDL cases would reduce local trial court caseloads, assure uniform compliance and enforcement of CMV and CDL laws, enhance Homeland Security programs, and simplify reporting and enforcement programs administered by the Bureau of Motor Vehicles: Therefore,

Whereas, Currently no plan exists;

Whereas, There is a need for a single agency to take the lead in establishing a comprehensive plan for services for individuals with autism; and

Whereas, The Indiana Commission on Autism believes that the Family and Social Services Administration is best suited to develop a working relationship among the department of education, the division of mental health and addiction, the division of disability, aging, and rehabilitative services, and other appropriate agencies and interested parties necessary to establish this comprehensive plan: Therefore,

Whereas, People with disabilities make up our nation's largest minority group;

Whereas, This group is inclusive and diverse, representing both genders, all ages, religions, socioeconomic levels, and ethnicities;

Whereas, Old and inaccurate medical descriptors and the inappropriate use of these descriptors help to preserve negative stereotypes;

Whereas, When people are described by their medical diagnosis, they are devalued and disrespected as individuals;

Whereas, It is the state's responsibility to ensure that its laws do not perpetuate negative stereotypes or disrespect Hoosiers with disabilities; and

Whereas, In order to ensure that all people are treated respectfully, it is necessary to determine if Indiana's laws use respectful language when referring to people with disabilities: Therefore,

Whereas, An understanding of the relationship between medical problems and autism spectrum disorder is particularly important for medical students in the areas of pediatric and family medicine; and

Whereas, Medical students who complete a rotation in a clinic with a history of diagnosing and treating autism spectrum disorder can broaden their clinical approach and learn to make the best possible decisions under all conditions: Therefore,

(2) A nonissuer sale effected by or through a registered broker-dealer pursuant to an unsolicited order or offer to buy.

(3) A nonissuer offer or sale by a registered broker-dealer, acting either as principal or agent, of issued and outstanding securities if the following conditions are satisfied:

(A) The securities are sold at prices reasonably related to the current market price at the time of sale, and if the registered broker-dealer is acting as agent, the commission collected by the registered broker-dealer on account of the sale is not in excess of usual and customary commissions collected with respect to securities and transactions having comparable characteristics.

(B) The securities do not constitute an unsold allotment to or subscription by the broker-dealer as a participant in the distribution of the securities by the issuer or by or through an underwriter.

(C) Either:

(i) information consisting of the names of the issuer's officers and directors, a balance sheet of the issuer as of a date not more than eighteen (18) months prior to the date of the sale, and a profit and loss statement for either the fiscal year preceding that date or the most recent year of operations is published in a securities manual approved by the commissioner;

(ii) the issuer is required to file reports with the Securities and Exchange Commission pursuant to sections 13 and 15 of the Securities Exchange Act of 1934 (15 U.S.C. 78m and 78o) and is not delinquent in the filing of the reports on the date of the sale; or

(iii) information consisting of the names of the issuer's officers and directors, a balance sheet of the issuer as of a date not more than sixteen (16) months prior to the date of the sale, and a profit and loss statement for either the fiscal year preceding that date or the most recent year of operations is on file with the commissioner. The information required by this item to be on file with the commissioner must be on a form and made in a manner as the commissioner prescribes. The fee for the initial filing of the form shall be twenty-five dollars (\$25). The fee for the annual renewal filing shall be fifteen dollars (\$15). When a filing is withdrawn or is not completed by the issuer, the commissioner must retain the filing fee.

(D) There has been compliance with section 6(l) of this chapter.

(E) Unless the issuer is registered under the Investment Company Act of 1940, all the following must be true at the time of the transaction:

(i) The security belongs to a class that has been in the hands of the public for at least ninety (90) days.

(ii) The issuer of the security is a going concern, is actually engaged in business, and is not in bankruptcy or receivership.

(iii) Except as permitted by order of the commissioner, the issuer and any predecessors have been in continuous operation for at least five (5) years. An issuer or predecessor is in continuous operation only if the issuer or predecessor has gross operating revenue in each of the five (5) years immediately preceding the issuer's or predecessor's claim of exemption and has had total gross

operating revenue of at least two million five hundred thousand dollars (\$2,500,000) for those five (5) years or has had gross operating revenue of at least five hundred thousand dollars (\$500,000) in not less than three (3) of those five (5) years.

The commissioner may revoke the exemption afforded by this subdivision with respect to any securities by issuing an order:

- (i) if the commissioner finds that the further sale of the securities in this state would work or tend to work a fraud on purchasers of the securities;
- (ii) if the commissioner finds that the financial condition of the issuer is such that it is in the public interest and is necessary for the protection of investors to revoke or restrict the exemption afforded by this subsection; or
- (iii) if the commissioner finds that, due to the limited number of shares in the hands of the public or due to the limited number of broker-dealers making a market in the securities, there is not a sufficient market for the securities so that there is not a current market price for the securities.

(4) A transaction between the issuer or other person on whose behalf the offering is made by an underwriter, or among underwriters.

(5) A transaction in a bond or other evidence of indebtedness secured by a real or chattel mortgage or deed of trust, or by agreement for the sale of real estate or chattels, if the entire mortgage, deed of trust, or agreement, together with all the bonds or other evidences of indebtedness, is offered and sold as a unit.

(6) A transaction by an executor, administrator, personal representative, sheriff, marshal, receiver, trustee in bankruptcy, guardian, conservator, or a person acting in a trust or fiduciary capacity where the transaction is effected pursuant to the authority of or subject to approval by a court of competent jurisdiction.

(7) A transaction executed by a bona fide pledgee without any purpose of evading this chapter.

(8) An offer or sale to a bank, a savings institution, a trust company, an insurance company, an investment company (as defined in the Investment Company Act of 1940 (15 U.S.C. 80a-1 through 80a-52)), a pension or profit-sharing trust, or other financial institution or institutional buyer, or to a broker-dealer, whether the purchaser is acting for itself or in a fiduciary capacity.

(9) The offer or sale of securities of an issuer:

(i) to a person who is:

- (A) a director, an executive officer, a general partner, an administrator, or a person who performs similar functions for or who is similarly situated with respect to the issuer;
- (B) a director, an executive officer, or a general partner of a general partner of the issuer; or
- (C) any other natural person employed on a full-time basis by the issuer as an attorney or accountant if the person has been acting in this capacity for at least one (1) year immediately prior to the offer or sale;

(ii) to an entity affiliated with the issuer;

(iii) if the issuer is a corporation, to a person who is the

owner of shares of the corporation or of an affiliated corporation representing and possessing ten percent (10%) or more of the total combined voting power of all classes of stock (of the corporation or affiliated corporation) issued and outstanding and who is entitled to vote; or

(iv) if the issuer is a limited liability company, to a person who is the owner of an interest in the limited liability company representing and possessing at least ten percent (10%) of the total combined voting power of all classes of such interests (of the limited liability company or affiliated limited liability company) issued and outstanding.

(10) The offer or sale of a security by the issuer of the security if all of the following conditions are satisfied:

(A) The issuer reasonably believes that either:

- (i) there are no more than thirty-five (35) purchasers of the securities from the issuer in an offering pursuant to this subsection, including purchasers outside Indiana; or
- (ii) there are no more than twenty (20) purchasers in Indiana.

In either case, there shall be excluded in determining the number of purchasers a purchaser whom the issuer reasonably believes to be an accredited investor or who purchases the securities after they are registered under this chapter.

(B) The issuer does not offer or sell the securities by means of a form of general advertisement or general solicitation.

(C) The issuer reasonably believes that each purchaser of the securities is acquiring the securities for the purchaser's own investment and is aware of any restrictions imposed on transferability and resale of the securities. The basis for reasonable belief may include:

- (i) obtaining a written representation signed by the purchaser that the purchaser is acquiring the securities for the purchaser's own investment and is aware of any restrictions imposed on the transferability and resale of the securities; and
- (ii) placement of a legend on the certificate or other document that evidences the securities stating that the securities have not been registered under section 3 of this chapter, and setting forth or referring to the restrictions on transferability and sale of the securities.

(D) The issuer:

- (i) files with the commissioner and provides to each purchaser in this state an offering statement that sets forth all material facts with respect to the securities; and
- (ii) reasonably believes immediately before making a sale that each purchaser who is not an accredited investor either alone or with a purchaser representative has knowledge and experience in financial and business matters to the extent that the purchaser is capable of evaluating the merits and risks of the prospective investment.

(E) If the aggregate offering price of the securities in an offering pursuant to this subdivision (including securities sold outside of Indiana) does not exceed five hundred thousand dollars (\$500,000), the issuer is not required to comply with clause (D) if the issuer files with the

commissioner and provides to each purchaser in Indiana the following information and materials:

- (i) copies of all written materials, if any, concerning the securities that have been provided by the issuer to any purchaser; and
- (ii) unless clearly presented in all written materials, a written notification setting forth the name, address, and form of organization of the issuer and any affiliate, the nature of the principal businesses of the issuer and any affiliate, and the information required in section 5(b)(1)(B), 5(b)(1)(C), 5(b)(1)(D), 5(b)(1)(E), 5(b)(1)(H), and 5(b)(1)(I) of this chapter.

(F) The commissioner does not disallow the exemption provided by this subdivision within ten (10) full business days after receipt of the filing required by clause (D) or (E). The issuer may make offers (but not sales) before and during the ten (10) day period, if:

- (i) each prospective purchaser is advised in writing that the offer is preliminary and subject to material change; and
- (ii) no enforceable offer to purchase the securities may be made by a prospective purchaser, and no consideration in any form may be accepted or received (directly or indirectly) from a prospective purchaser, before the expiration of the ten (10) day period and the vacation of an order disallowing the exemption.

(G) The issuer need not comply with clause (D), (E), or (F) if:

- (i) each purchaser has access to all the material facts with respect to the securities by reason of the purchaser's active involvement in the organization or management of the issuer or the purchaser's family relationship with a person actively involved in the organization or management of the issuer;
- (ii) there are not more than fifteen (15) purchasers in Indiana and each Indiana purchaser is an accredited investor or is a purchaser described in item (i); or
- (iii) the aggregate offering price of the securities, including securities sold outside Indiana, does not exceed five hundred thousand dollars (\$500,000), the total number of purchasers, including purchasers outside of Indiana, does not exceed twenty-five (25) and each purchaser either receives all of the material facts with respect to the security or is an accredited investor or a purchaser described in item (i).

(H) If the issuer makes or is required to make a filing with the commissioner under clause (D) or (E), the issuer must also file with the commissioner at the time of the filing the consent to service of process required by section 16 of this chapter. The issuer shall also file with the commissioner, at the times and in the forms as the commissioner may prescribe, notices of sales made in reliance upon this subdivision.

(I) The commissioner may by rule deny exemption provided in this subdivision to a particular class of issuers, or may make the exemption available to the issuers upon compliance with additional conditions and requirements, if appropriate

in furtherance of the intent of this chapter.

(11) An offer or sale of securities to existing security holders of the issuer, including persons who at the time of the transaction are holders of convertible securities, nontransferable warrants, or transferable warrants exercisable within not more than ninety (90) days of their issuance if no commission or other remuneration (other than a standby commission) is paid or given for soliciting a security holder in this state.

(12) An offer (but not a sale) of a security for which registration statements or applications have been filed under this chapter and the Securities Act of 1933 (15 U.S.C. 77a-77aa), if no stop order or refusal order is in effect and no public proceeding or examination looking toward an order is pending under either law.

(13) The deposit of shares under a voting-trust agreement and the issue of voting-trust certificates for the deposit.

(14) The offer or sale of a commodity futures contract.

(15) The offer or sale of securities to or for the benefit of security holders incident to a vote by the security holders pursuant to the articles of incorporation or applicable instrument, on a ~~merger or share exchange under IC 23-1-40 or the laws of another state~~, **statutorily approved merger or share exchange**, reclassification of securities, exchange of securities under IC 28-1-7.5, or sale of assets of the issuer in consideration of the issuance of securities of the same or another issuer.

(16) A limited offering transactional exemption, which may be created by rule adopted by the commissioner. The exemption must further the objectives of compatibility with federal exemptions and uniformity among the states.

(c) The commissioner may consider and determine if a proposed sale, transaction, issue, or security is entitled to an exemption accorded by this section. The commissioner may decline to exercise the commissioner's authority as to a proposed sale, transaction, issue, or security. An interested party desiring the commissioner to exercise the commissioner's authority must submit to the commissioner a verified statement of all material facts relating to the proposed sale, transaction, issue, or security, which must be accompanied by a request for a ruling as to the particular exemption claimed, together with a filing fee of one hundred dollars (\$100). After notice to the interested parties as the commissioner determines is proper and after a hearing, if any, the commissioner may enter an order finding the proposed sale, transaction, issue, or security entitled or not entitled to the exemption claimed. An order entered, unless an appeal is taken from it in the manner prescribed in section 20 of this chapter, is binding upon the commissioner and upon all interested parties, provided that the proposed sale, transaction, issue, or security when consummated or issued conforms in every relevant and material particular with the facts as set forth in the verified statement submitted.

(d) The commissioner may by order deny or revoke an exemption specified in subsection (a)(6), (a)(7), or (b) with respect to a specific security or transaction, if the commissioner finds that the securities to which the exemption applies would not qualify for registration under sections 4 and 5 of this chapter. No order may be entered without appropriate prior notice to all interested parties, opportunity for hearing, and written findings of fact and conclusions of law, except

that the commissioner may by order summarily deny or revoke any of the specific exemptions pending final determination of a proceeding under this subsection. Upon the entry of a summary order, the commissioner shall promptly notify all interested parties that it has been entered, of the reasons for the order, and that within fifteen (15) days of the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing to all interested persons, may modify or vacate the order or extend it until final determination. No order under this subsection may operate retroactively. No person may be considered to have violated section 3 of this chapter by reason of an offer or sale effected after the entry of an order under this subsection if the person sustains the burden of proof that the person did not know, and in the exercise of reasonable care could not have known, of the order.

(e) If, with respect to an offering of securities, any notices or written statements are required to be filed with the commissioner under subsection (b)(10), the first filing made with respect to the offering must be accompanied by a filing fee of one hundred dollars (\$100).

(f) A condition, stipulation, or provision requiring a person acquiring a security to waive compliance with this chapter or a rule or order under this chapter is void.

SECTION 2. IC 23-2-1-10 IS amended TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 10. (a) A registered broker-dealer shall make and keep accounts, correspondence, memoranda, papers, books, and other records as the commissioner requires by rule or otherwise. The commissioner's requirements may not exceed the limitations provided in Section 15 of the Securities and Exchange Act of 1934 (15 U.S.C. 78o).

(b) An investment adviser shall make and keep accounts, correspondence, memoranda, papers, books, and other records as the commissioner requires by rule or otherwise. The commissioner may prescribe by rule or otherwise the period that an investment adviser must retain records.

(c) All the records of a registered broker-dealer or an investment adviser are subject at any time to reasonable periodic, special, or other examinations by representatives of the commissioner, within or without Indiana, as the commissioner deems necessary or appropriate in the public interest or for the protection of investors. No charges or other examination fees may be assessed against a registered broker-dealer or an investment adviser as a result of an examination under this subsection unless the examination results in an investigation or examination made under section 16(d) of this chapter. To avoid duplication of examinations of records, the commissioner may cooperate with the securities administrators of other states, the Securities and Exchange Commission, and any national securities exchange or national securities association registered under the Securities and Exchange Act of 1934 (15 U.S.C. 77b et seq.).

(d) Every registered broker-dealer and investment adviser shall file financial reports and other reports as the commissioner by rule or order prescribes. The commissioner's reporting requirements for registered broker-dealers may not exceed the limitations provided in

Section 15 of the Securities and Exchange Act of 1934 (15 U.S.C. 78o). The commissioner's reporting requirements for investment advisers may not exceed the limitations provided in Section 222 of the Investment Advisers Act of 1940 (15 U.S.C. 80b-18a).

(e) If the information contained in a document filed with the commissioner is or becomes inaccurate or incomplete in any material respect, the registrant shall promptly file a correcting amendment.

(f) The commissioner may require investment advisers to furnish or disseminate certain information necessary or appropriate for the public interest or to protect investors or clients. The commissioner may determine that the information furnished to clients or prospective clients of an investment adviser under the Investment Advisers Act of 1940 (15 U.S.C. 80a-1 et seq.) and the rules adopted under the Investment Advisers Act of 1940 may be used to satisfy this requirement.

(g) The commissioner may annually select as many as twenty-five percent (25%) of all Indiana home and branch offices of registered broker-dealers for completion of compliance reports. ~~The offices shall be selected at random.~~ Each broker-dealer office that is selected shall file its compliance report according to rules adopted by the commissioner under IC 4-22-2 not more than ninety (90) days after being notified of selection under this subsection. No charges or other examination fees may be assessed against a registered broker-dealer as a result of the examination of a compliance report filed under this subsection unless the examination results in an investigation or examination made under section 16(d) of this chapter.

SECTION 3. IC 23-2-1-15 IS amended TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2006]: Sec. 15. (a) This chapter shall be administered by a division of the office of the secretary of state. The secretary of state shall appoint a securities commissioner who shall be responsible for the direction and supervision of the division and the administration of this chapter under the direction and control of the secretary of state. The salary of the securities commissioner shall be paid out of the funds appropriated for the administration of this chapter. The commissioner shall serve at the will of the secretary of state.

(b) The secretary of state:

(1) shall employ a chief deputy, a senior investigator, a senior accountant, and other deputies, investigators, accountants, clerks, stenographers, and other employees necessary for the administration of this chapter; and

(2) shall fix their compensation with the approval of the budget agency.

The chief deputy, other deputies, the senior investigator, and the senior accountant, once employed under this chapter, may be dismissed only for cause by the secretary of state upon ten (10) days notice in writing stating the reasons for dismissal. Within fifteen (15) days after dismissal, the chief deputy, other deputies, the senior investigator, and the senior accountant may appeal to the state personnel board. The state personnel board shall hold a hearing, and if it finds that the appealing party was dismissed for a political, social, religious, or racial reason, the appealing party shall be reinstated to the appealing party's position without loss of pay. In all other cases, if the decision is favorable to the appealing party, the secretary of state shall follow the findings and recommendations of the board, which may include reinstatement and payment of salary or wages lost. The hearing and any subsequent proceedings or appeals shall be

governed by the provisions of IC 4-15-2 and IC 4-21.5.

(c) Fees and funds of whatever character accruing from the administration of this chapter shall be accounted for by the secretary of state and shall be deposited with the treasurer of state to be deposited by the treasurer of state in the general fund of the state. Expenses incurred in the administration of this chapter shall be paid from the general fund upon appropriation being made for the expenses in the manner provided by law for the making of those appropriations. However, costs of investigations recovered under sections 16(d) and 17.1(c) of this chapter shall be deposited with the treasurer of state to be deposited by the treasurer of state in a separate account to be known as the securities division enforcement account. The funds in the account do not revert to the general fund at the end of any fiscal year.

(d) In connection with the administration and enforcement of the provisions of this chapter, the attorney general shall render all necessary assistance to the securities commissioner upon the commissioner's request, and to that end, the attorney general shall employ legal and other professional services as are necessary to adequately and fully perform the service under the direction of the securities commissioner as the demands of the securities division shall require. Expenses incurred by the attorney general for the purposes stated in this subsection shall be chargeable against and paid out of funds appropriated to the attorney general for the administration of the attorney general's office.

(e) Neither the secretary of state, the securities commissioner, nor an employee of the securities division shall be liable in their individual capacity, except to the state, for an act done or omitted in connection with the performance of their respective duties under this chapter.

(f) The commissioner, subject to the approval of the secretary of state, may adopt rules, orders, and forms necessary to carry out this chapter, including rules and forms concerning registration statements, applications, reports, and the definitions of any terms if the definitions are consistent with this chapter. The commissioner may by rule or order allow for exemptions from registration requirements under sections 3 and 8 of this chapter if the exemptions are consistent with the public interest and this chapter.

(g) The provisions of this chapter delegating and granting power to the secretary of state, the securities division, and the securities commissioner shall be liberally construed to the end that:

- (1) the practice or commission of fraud may be prohibited and prevented;
- (2) disclosure of sufficient and reliable information in order to afford reasonable opportunity for the exercise of independent judgment of the persons involved may be assured; and
- (3) the qualifications may be prescribed to assure availability of reliable broker-dealers, investment advisers, and agents engaged in and in connection with the issuance, barter, sale, purchase, transfer, or disposition of securities in this state.

It is the intent and purpose of this chapter to delegate and grant to and vest in the secretary of state, the securities division, and the securities commissioner full and complete power to carry into effect and accomplish the purpose of this chapter and to charge them with full and complete responsibility for its effective administration.

(h) It is the duty of a prosecuting attorney, as well as of the attorney general, to assist the securities commissioner upon the commissioner's request in the prosecution to final judgment of a violation of the penal provisions of this chapter and in a civil proceeding or action arising under this chapter. If the commissioner determines that an action based on the securities division's investigations is meritorious:

- (1) the commissioner or a designee empowered by the commissioner shall certify the facts drawn from the investigation to the prosecuting attorney of the judicial circuit in which the crime may have been committed;
- (2) the commissioner and the securities division shall assist the prosecuting attorney in prosecuting an action under this section, which may include a securities division attorney serving as a special deputy prosecutor appointed by the prosecuting attorney;
- (3) a prosecuting attorney to whom facts concerning fraud are certified under subdivision (1) may refer the matter to the attorney general; and
- (4) if a matter has been referred to the attorney general under subdivision (3), the attorney general may:

(j) The securities commissioner and each employee of the securities division shall be reimbursed for necessary hotel and travel expenses when required to travel on official duty. Hotel and travel reimbursements shall be paid in accordance with the travel regulations prescribed by the budget agency.

(k) It is unlawful for the secretary of state, the securities commissioner, or the securities division's employees to use for personal benefit information that is filed with or obtained by the securities division and that is not made public. No provision of this chapter authorizes the secretary of state, the securities commissioner, or the employees of the securities division to disclose information except among themselves, or when necessary or appropriate, in a proceeding or investigation under this chapter. No provision of this chapter either creates or derogates from a privilege that exists at common law or otherwise when documentary or other evidence is sought under a subpoena directed to the secretary of state, the securities commissioner, or the securities division or its employees.

(l) The commissioner may honor requests from interested persons for interpretative opinions and from interested persons for determinations that the commissioner will not institute enforcement proceedings against specified persons for specified activities. A determination not to institute enforcement proceedings must be consistent with this chapter. A person may not request an interpretive opinion concerning an activity that:

- (1) occurred before; or

(a) Whenever it appears to the commissioner that a person has engaged in or is about to engage in an act or practice constituting a violation of this chapter or a rule or order under this chapter, the commissioner may investigate and may issue, with or without a prior hearing, orders and notices as the commissioner determines to be in the public interest, including cease and desist orders, orders to show cause, and notices. After notice and hearing, the commissioner may enter an order of rescission, restitution, or disgorgement, including interest at the rate of eight percent (8%) per year, directed to a person who has violated this chapter or a rule or order under this chapter. In addition to all other remedies, the commissioner may bring an action in the name and on behalf of the state against the person and any other person participating in or about to participate in a violation of this chapter, to enjoin the person from continuing or doing an act furthering a violation of this chapter and may obtain the appointment of a receiver or conservator. (c) Not later than ten (10) days after the commissioner is served with the items listed in subsection (b), the commissioner shall make, certify, and deliver to the appellant the transcript, and the appellant shall, not later than five (5) days after the date the appellant receives the transcript, file the transcript and a copy of the notice of appeal with the clerk of the court. The notice of appeal serves as the appellant's complaint. The commissioner may appear and file any motion or pleading and form the issue. The cause shall be entered on the trial calendar for trial de novo and given precedence over all matters pending in the court.

(d) The court shall receive and consider any pertinent oral or written evidence concerning the order of the commissioner from which the appeal is taken. If the order of the commissioner is reversed, the court shall in its mandate specifically direct the commissioner as to the commissioner's further action in the matter. During the pendency of the appeal, the order from which the appeal is taken is not suspended but remains in effect unless otherwise ordered by the court. An appeal may be taken from the judgment of the court on the same terms and conditions as an appeal is taken in civil actions.

STATE OF INDIANA EXECUTIVE DEPARTMENT INDIANAPOLIS

EXECUTIVE ORDER 05-23

FOR: CLEMENCY FOR ARTHUR PAUL BAIRD II, DOC NO. 872036

TO ALL WHOM THESE PRESENTS MAY COME, GREETINGS.

WHEREAS, In 1987, a Montgomery County jury found Arthur Paul Baird II guilty of the September 1985, murders of his pregnant wife, Nadine Baird, his mother, Kathryn Baird, and his father, Arthur Baird I;

WHEREAS, The Montgomery Circuit Court followed the jury's recommendation and sentenced Baird to death for the murder of his parents; the trial court also imposed a sixty-year sentence for the murder of Baird's wife and an eight-year sentence for the feticide involving his unborn child;

WHEREAS, Baird is guilty of the murders of Nadine Baird, Arthur Paul Baird I and Kathryn Baird and is legally eligible for the death penalty under IC 35-50-2-9(b)(8);

WHEREAS, Baird's claims have received proper and thorough consideration in the judicial system;

WHEREAS, Baird has asked that his sentence of death be commuted to Life Without Parole;

WHEREAS, There exists sufficient reasons to commute Baird's sentence, as explained in detail in the document titled Grant of Commutation to Arthur Paul Baird II, attached hereto and incorporated by reference in this Executive Order; and

WHEREAS, My review of the facts of this case leads me to exercise clemency by commuting Baird's sentence. This decision is based on the unique circumstances of this case. All the facts, not one single element, cause me to grant clemency.

NOW, THEREFORE, I, Mitchell E. Daniels, Jr., the Governor of the State of Indiana, by virtue of the power vested in me by the Constitution and laws of the State of Indiana, hereby commute the death sentence imposed on Arthur Paul Baird II for the murders of Arthur Paul Baird I and Kathryn Baird to Life Without Parole.

IN TESTIMONY WHEREOF, I, Mitchell E. Daniels, Jr., have hereunto set my hand and caused to be affixed the Great Seal of the State of Indiana on this 29th day of August, 2005.

Mitchell E. Daniels, Jr.
Governor of Indiana

ATTEST: Todd Rokita
Secretary of State

GRANT OF COMMUTATION TO ARTHUR PAUL BAIRD II

The case of Arthur Baird would justify the death penalty based upon the nature of his crimes, the unchallenged certainty that he committed them, and the care and completeness of the legal process in imposing that sentence and in consistently upholding it over the years since those crimes occurred. Nonetheless, given certain unusual, probably unique circumstances in this case, a different outcome seems more just. These circumstances include:

- Life without parole was not an option in Indiana when Mr. Baird was sentenced. Such a sentence has since become an option and would be available to the jury today.

- The unanimous sentiment expressed by family members at the time of the trial and years later demonstrates that they believed life without parole was the most appropriate penalty for Mr. Baird. All members of the jury whose views are known also indicate that, had life without parole been an alternative available to them, they would have imposed it instead of the death penalty.
- Further reflecting that consensus, the State offered the equivalent of life without parole in a plea agreement that Mr. Baird appeared ready to accept before trial. However, at the time of submitting his plea, he suddenly reversed course and, apparently due to his delusional state, rejected the bargain the State saw fit to offer him.

Courts recognized Mr. Baird as suffering from mental illness at the time he committed the murders, and Indiana Supreme Court Justice Ted Boehm recently wrote that Mr. Baird is "insane in the ordinary sense of the word." It is difficult to find reasons not to agree.

However, I reached today's decision without substituting my judgment for others on the ambiguous issue of Mr. Baird's degree of insanity. To me, it suffices to note that, had the sentence of life without parole been available in 1987, the jury and the State would have imposed it with the support of the victims' families.

I conclude that the proper and just result in this case is for Arthur Paul Baird II to serve a term of life without parole, and I therefore commute his sentence accordingly.

A JOINT RESOLUTION proposing an amendment to Article 5 of the Constitution of the State of Indiana concerning appointments within the executive department.

RESOLUTIONS ON FIRST READING

Senate Concurrent Resolution 14

Senate Concurrent Resolution 14, introduced by Senator Bray:

A CONCURRENT RESOLUTION urging the establishment of an interim study committee on appellate issues.

Whereas, Due to the increased caseload of the appellate courts, the Indiana General Assembly should study the issues relating to the creation of a court of appeals for the sixth district; and

Whereas, An interim study committee should also consider the issues of the selection and retention of judges of the court of appeals and other issues relating to the court of appeals: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the legislative council is urged to establish a committee to study appellate issues.

SECTION 2. That the committee, if established, shall operate under the direction of the legislative council and shall issue a final report when directed to do so by the council.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

Senate Concurrent Resolution 15

Senate Concurrent Resolution 15, introduced by Senator Skinner:

A CONCURRENT RESOLUTION urging the establishment of an interim study committee to examine the need for homeschool guidelines.

Whereas, Homeschooling is increasing in popularity; recent statistics indicate that as many as 2,000,000 children are homeschooled, roughly 2% of the school-aged population of our country;

Whereas, Homeschooling is legal in all 50 U.S. states, but the laws

vary from state to state; and

Whereas, Since it is likely that the number of homeschool children will continue to grow, it behooves the state of Indiana to study the possible need for some defined homeschooling guidelines: Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana, the House of Representatives concurring:

SECTION 1. That the legislative council is urged to establish a committee to examine the need for establishing homeschool guidelines.

SECTION 2. That the committee, if established, shall operate under the direction of the legislative council and shall issue a final report when directed to do so by the council.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

Senate Resolution 3

Senate Resolution 3, introduced by Senator Delph:

A SENATE RESOLUTION expressing the support of the Indiana Senate in encouraging clergy to pray according to the dictates of their conscience and thus ensuring religious liberty.

Whereas, The Declaration of Independence states, "We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness . . .";

Whereas, The First Amendment to the Constitution states that Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof, or abridging the freedom of speech, the press, or the right of the people to peaceably assemble, and to petition the government for a redress of grievances;

Whereas, President Washington felt that it was the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and to humbly implore His protection and favor;

Whereas, At the Constitutional Convention of 1787, Edmund Jennings Randolph moved "that a sermon be preached at the request of the Convention on the 4th of July, the anniversary of Independence; & thenceforward prayers be used in ye Convention every morning" and that prayers have opened both Houses of Congress ever since (Notes of Debates in the Federal Convention of 1787, pp. 210-211);

Whereas, Article 3 of the Northwest Ordinance of 1787, which helped to establish the government of Indiana, states that religion, morality, and knowledge, being necessary to good government and the happiness of mankind, schools and the means of education, shall forever be encouraged and that it is the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and humbly to implore His protection and

favor;

Whereas, The December 1, 1817 Journal of the Indiana House of Representatives notes that a committee was appointed to "wait on the Rev. B. Adams, and request him to attend in the Representative Chamber immediately and open the present session of the General Assembly, by solemn prayer" and "the Rev. B. Adams...came in, performed divine service, by solemn prayer and then withdrew";

Whereas, The delegates to the State Constitutional Revision Convention on October 8, 1850, adopted a resolution directing "that the Secretary confer with the Clergy of this city, and request them to make such arrangements among themselves, as that one of their number open the Convention each day with prayer";

Whereas, Throughout Indiana's history, the journals of the Senate and the House of Representatives demonstrate a solid connection between the people and their religious beliefs as evidenced by Governor Conrad Baker's State of the State address on January 10, 1873, in which he "invokes the choicest benedictions of the Good Father upon our beloved State now and at every step in her future progress";

Whereas, For many years the rules of the Senate and the House of Representatives have included prayer as an Order of Business (House Rule 10.2 and Senate Rule 5(a));

Whereas, President Ronald Reagan designated 1983 as the national "Year of the Bible" and stated that "Many of our great national leaders - among them Presidents Washington, Jackson, Lincoln, and Wilson - paid tribute to the surpassing influence of the Bible in our country's development, as in the words of President Jackson that the Bible is 'the Rock on which our Republic rests'";

Whereas, Former Governor Evan Bayh declared November 20-26, 1994, as "Christian Heritage Week" and noted "Religious holidays, festivals, and celebrations add to the cultural mosaic of our state....Churches are a functional part of many communities in our state often providing charitable assistance to those in need....Thanksgiving week is a fitting time to enter attention on the religious heritage of our state" (Executive Proclamation dated April 18, 1994); and

Whereas, Governor Mitch Daniels has expressed his belief that the decree issued by Judge David Hamilton is "regrettable": Therefore,

Be it resolved by the Senate of the General Assembly of the State of Indiana:

SECTION 1. That it is contrary to the history and traditions of these United States and of the State of Indiana to have the federal government or other government authority dictate the content of prayer.

SECTION 2. That the Indiana Senate respects the rule of law and the Constitutions of these United States and of the State of Indiana.

SECTION 3. That the Indiana Senate supports the Speaker of the House in his efforts to take all legal measures to ensure that members

of the clergy and others who lead any house of the Indiana General Assembly in prayer should be able to pray according to the dictates of their conscience.

SECTION 4. That copies of this Resolution be transmitted by the Secretary of the Senate to the Speaker of the House of Representatives, the Governor of Indiana, the Attorney General of Indiana, and members of the Indiana Congressional delegation.

The resolution was read in full and referred to the Committee on Rules and Legislative Procedure.

- (2) an addition to assessed value.

(j) A taxpayer may appeal any determination of the county auditor under subsection (g) to deny or alter the amount of the deduction by requesting in writing, not later than forty-five (45) days after the county auditor gives the taxpayer notice of the determination, a preliminary conference with the county auditor. An appeal initiated under this subsection is processed and determined in the same manner that an appeal is processed and determined under IC 6-1.1-15.

Sec. 25. (a) This section applies to a taxpayer that seeks to obtain the deduction provided by section 21 of this chapter with respect to communications service personal property.

(b) A taxpayer to which this section applies must file a certified deduction schedule on a form prescribed by the department of local government finance with the township assessor of the township in which the communications service personal property is installed. Except as provided in subsection (e), the deduction is applied in the amount claimed in a certified schedule that a person files with:

- (1) a timely personal property return under IC 6-1.1-3-7(a) or IC 6-1.1-3-7(b);
- (2) a timely amended personal property return under IC 6-1.1-3-7.5; or
- (3) a timely statement under IC 6-1.1-8-23, in the case of communications service personal property that is:
 - (A) owned or used by a public utility company subject to taxation under IC 6-1.1-8; and
 - (B) assessed as locally assessed personal property under IC 6-1.1-8.

The township assessor shall forward to the county auditor and the county assessor a copy of each certified deduction schedule filed under this subsection.

(c) The deduction schedule required by this section must contain the following:

- (1) The name and address of the taxpayer.
- (2) A description, in sufficient detail to afford identification, of the communications service personal property for which a deduction is claimed.
- (3) The amount of the deduction claimed for the first year of the deduction.
- (4) A copy of the:
 - (A) preliminary certification issued by the commission under section 23(d) of this chapter; and
 - (B) certificate of eligibility issued by the commission under section 23(g) of this chapter.

(d) A deduction schedule must be filed under this section in the year in which the communications service personal property is installed and in each of the immediately succeeding years the deduction is allowed under section 19(c) of this chapter.

(e) The township assessor or the county assessor may:

- (1) review the deduction schedule; and
- (2) before the March 1 that next succeeds the assessment date for which the deduction is claimed, deny or alter the amount of the deduction.

If the township assessor or the county assessor does not deny the deduction, the county auditor shall apply the deduction in the amount claimed in the deduction schedule or in the amount as altered by the township assessor or the county assessor. A township assessor or a county assessor who denies a deduction under this subsection or alters the amount of the deduction shall notify the taxpayer and the county auditor of the assessor's action. The county auditor shall notify the county property tax assessment board of appeals of all deductions applied under this section.

(f) If the ownership of the communications service personal property changes, the deduction provided by section 21 of this chapter continues to apply to the communications service personal property if the new owner:

(1) continues to make the property available to provide communications service to subscribers in the service areas in Indiana identified in the original application to the commission under section 23(c)(3) of this chapter;

(2) notifies:

(A) the commission; and

(B) subscribers in the affected service areas;

of the change in ownership; and

(3) files the deduction schedules required by this section.

(g) After a change in ownership described in subsection (f), the amount of the deduction for a particular year equals the product of:

(1) the percentage under section 21 of this chapter that would have applied if the ownership of the communications service personal property had not changed; multiplied by

(2) the assessed value of the communications service personal property for the year the deduction is claimed by the new owner.

(h) A taxpayer may appeal a determination of the township assessor or the county assessor under subsection (e) to deny or alter the amount of the deduction by requesting in writing, not later than forty-five (45) days after the township assessor or the county assessor gives the taxpayer notice of the determination, a preliminary conference with the township assessor or the county assessor. Except as provided in subsection (i), an appeal initiated under this subsection is processed and determined in the same manner that an appeal is processed and determined under IC 6-1.1-15.

(i) The county assessor is recused from any action the county property tax assessment board of appeals takes with respect to an appeal under subsection (h) of a determination by the county assessor.

Sec. 26. (a) This section applies to a taxpayer that seeks a deduction under section 22 of this chapter with respect to communications service distributable property.

(b) A taxpayer to which this section applies shall file a certified deduction schedule with:

(1) the department of local government finance; and

(2) the county assessor and county auditor of each county containing one (1) or more taxing districts to which the assessed value of the communications service distributable property is to be distributed, as determined by the department of local government finance under IC 6-1.1-8-25(b).

The taxpayer shall file a deduction schedule under this section not later than June 30 of the year that includes the assessment date described in section 19(b) of this chapter.

(c) The deduction schedule required by this section must contain the following:

(1) The name and address of the taxpayer.

(2) A description, in sufficient detail to afford identification, of the communications service distributable property for which a deduction is claimed.

(3) The assessed value of the communications service distributable property, as:

(A) determined by the department of local government finance under IC 6-1.1-8-26; and

(B) stated in the notice sent to the taxpayer under IC 6-1.1-8-28.

(4) The amount of the deduction claimed for the first year of the deduction, as calculated under section 22(b) of this chapter based on the assessed value reported under subdivision (3).

(d) A deduction schedule must be filed under this section in the year in which the communications service distributable property is installed and in each of the immediately succeeding years the deduction is allowed under section 19(c) of this chapter.

(e) Upon receiving a deduction schedule filed under this section, the department of local government finance shall review the schedule and may approve, deny, or alter the deduction amount claimed in the schedule. Not later than thirty (30) days after receiving the deduction schedule, the department of local government finance shall notify the county auditor, the county assessor, and the taxpayer of the department's decision to approve, deny, or alter the deduction amount claimed in the schedule. If the department of local government finance does not deny the deduction, the county auditor shall apply the deduction in the amount:

(1) claimed in the deduction schedule; or

(2) as altered by the department.

(f) The amount of the deduction allowed under section 22 of this chapter is not affected by a change in the ownership of the communications service distributable property if the new owner of the property:

(1) continues to make the property available to provide communications service to subscribers in Indiana;

(2) notifies:

(A) the department of local government finance; and

(B) subscribers in the affected service areas;

of the change in ownership; and

(3) files the deduction schedules required by this section.

(g) After a change in ownership described in subsection (f), the amount of the deduction for a particular year equals the product of:

(1) the percentage under section 22 of this chapter that would have applied if the ownership of the communications service distributable property had not changed; multiplied by

(2) the assessed value of the communications service distributable property for the year the deduction is claimed by the new owner.

(h) The department of local government finance shall include a notice of the deadlines for filing a certified deduction schedule under this section with each notice to a taxpayer of the department's tentative assessment of the taxpayer's distributable property under IC 6-1.1-8-28.

(i) A taxpayer may appeal any determination of the department of local government finance under subsection (e) to deny or alter the amount of the deduction. The taxpayer shall initiate any appeal under this subsection by filing the taxpayer's objections to the department's determination under subsection (e) in the same manner as the taxpayer may file objections to the department's assessment of the taxpayer's distributable property under IC 6-1.1-8. An appeal initiated under this subsection shall be processed and determined in the same manner that an appeal is processed and determined under IC 6-1.1-8.

Sec. 27. (a) A taxpayer that qualifies for a deduction for a particular year under:

- (1) this chapter; and**
- (2) another statute;**

with respect to the same installation, development, or redevelopment of communications service property may not receive a deduction under both statutes for the installation, development, or redevelopment for that year.

(b) A taxpayer may not receive a deduction under this chapter with respect to communications service property located in an allocation area (as defined in IC 6-1.1-21.2-3), unless the governing body (as defined in IC 6-1.1-21.2-6) of the allocation area adopts a resolution approving the deduction.

(c) The deduction provided by this chapter is not available for any installation, development, or redevelopment of communications service property that a taxpayer is required to make under the terms and conditions of a settlement agreement approved before July 29, 2004, by the commission under IC 8-1-2.6.

Sec. 28. The department of local government finance may adopt rules under IC 4-22-2 to implement this chapter.

Report adopted.

COMMITTEE REPORT

Madam President: The Senate Committee on Rules and Legislative Procedure, to which was referred Senate Bill 24, has had the same under consideration and begs leave to report the same back to the Senate with the recommendation that said bill be amended as follows:

Delete everything after the enacting clause and insert the following: SECTION 1. IC 4-31-7-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. (a) As used in this section, "live racing day" means a day on which at least eight (8) live horse races are conducted.

(b) Upon request by a permit holder from time to time, the commission may authorize the permit holder to conduct pari-mutuel

wagering at the permit holder's racetrack on televised simulcasts of horse races from other racetracks in Indiana or in other states or countries where horse racing and wagering are permitted by law. The commission may adopt rules regarding simulcasting. A permit holder that conducts at least one hundred twenty (120) live racing days annually may request an unlimited number of days of simulcasting per year. However, the requirement for one hundred twenty (120) live racing days does not apply if the commission determines that the permit holder is prevented from conducting live horse racing as a result of a natural disaster or other event over which the permit holder has no control. In addition, if the initial racing meeting conducted by a permit holder commences at such a time as to make it impractical to conduct one hundred twenty (120) live racing days during the permit holder's first year of operations, the commission may authorize the permit holder to conduct simulcast wagering during the first year of operations with fewer than one hundred twenty (120) live racing days. A permit holder that conducts fewer than one hundred twenty (120) live racing days annually may request permission to conduct simulcasting only during the hours on a racing day when racing is being conducted at the permit holder's racetrack. The televised simulcasts must comply with the Interstate Horse Racing Act of 1978 (15 U.S.C. 3001 et seq.).

(c) A permit holder that conducts simulcasts on a day that is not a live racing day may not simulcast races conducted in other states unless the permit holder also simulcasts all available races conducted in Indiana on that day.

(d) A permit holder shall not at the permit holder's racetrack or satellite facilities, simulcast races conducted in other states unless the out-of-state simulcast racing program is available to all Indiana permit holders and their satellite facilities in this state open and operating on that day, whether serving as simulcast hosts or simulcast guests, under terms and conditions no less advantageous to such Indiana permit holders and their satellite facilities as those prevailing among unrelated parties in the national marketplace.

ACTION ON GUBERNATORIAL VETOES

VETO MESSAGE FROM THE GOVERNOR

Madam President and Members of the Senate: By the authority vested in me as Governor of Indiana, under the provisions of Article 5, Section 14, of the Constitution of the State of Indiana, I do hereby veto Senate Enrolled Act 218, enacted during the regular session of the 114th General Assembly and related to the use of safety belts in vehicles.

I understand that the initial impetus behind this bill was a desire to address what some consider to be an unfair and illogical standard in Indiana law related to the use of seatbelts. Proponents point to the inconsistency between Indiana's requirement of seatbelt use, on the one hand, and the inadmissibility of evidence of seatbelt nonuse as a means of allocating comparative fault, on the other. It strikes me that a change in the law to address this incongruity would be consistent not only with our Comparative Fault Act but also with Hoosiers' fundamental notions of fairness.

Although its origins may have been directed toward this end, SEA 218 in its final form suffers from a number of flaws from both legal and policy perspectives and fails, in my opinion, to achieve the goals it was intended to address. The Act authorizes, for the first time, the introductions of evidence of seatbelt nonuse, but it contemplates that such evidence be heard at the damages phase, as opposed to the fault phase of a trial. Such an approach is inconsistent with the logic expressed in the Indiana Supreme Court's March 30, 2005 opinion in Kocher v. Getz. There the Court noted that, in comparative fault cases, conduct by a plaintiff *before* an accident that constitutes failure to avoid an injury or to mitigate damages is to be considered in determining "fault." SEA 218 is inconsistent with this view to the extent that it provides for the admission of evidence only at the "damages" phase of a trial, after fault has already been determined.

SEA 218 does advance one of its proponents' original goals by providing for a reduction in damages based on a plaintiff's failure to wear a seatbelt. However, its utility is undermined by a 4% cap on the

amount of that reduction and by the defendant's need to overcome significant evidentiary hurdles—including the need for expert testimony—to prove both noncompliance and the extent of the reduction of damages.

Another aspect of the bill—the admission of evidence of a defendant's drunk driving or other violations of law during the damages phase of a trial—gives rise to an additional concern. SEA 218 runs counter to the long-standing practice of allowing a defendant to concede such violations and admit full liability at the outset, so that the court may proceed directly to a determination of damages, thus reducing court time and costs.

I note that many of those who would be impacted by this legislation have not reached consensus. I will support future efforts to resolve the discrepancy in Indiana law between the requirement of seatbelt use and the prohibition on the admission of evidence of seatbelt nonuse at trial, with legislation that enjoys broader support and that does not suffer from the flaws described in this letter.

MITCHELL E. DANIELS, JR.
Governor

The Chair handed down Senate Enrolled Act 218, passed by the One hundred and fourteenth General Assembly, First Regular Session, entitled:

AN ACT to amend the Indiana Code concerning motor vehicles.

The question was, Shall Senate Enrolled Act 218 pass, the Governor's veto notwithstanding?

Roll Call 7: yeas 11, nays 38. The Governor's veto was sustained.

(b) The parole board may also adopt, under IC 4-22-2, additional conditions to remaining on parole and require a parolee to satisfy one (1) or more of these conditions. These conditions must be reasonably related to the parolee's successful reintegration into the community and not unduly restrictive of a fundamental right.

(c) If a person is released on parole the parolee shall be given a written statement of the conditions of parole. Signed copies of this statement shall be:

business or exempt organization is in existence."

Page 4, between lines 10 and 11, begin a new paragraph and insert:
"SECTION 4. IC 6-8.1-5-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2007]: Sec. 1. (a) As used in this section, "letter of finding" includes a supplemental letter of finding.

~~(a)~~ **(b)** If the department reasonably believes that a person has not reported the proper amount of tax due, the department shall make a proposed assessment of the amount of the unpaid tax on the basis of the best information available to the department. The amount of the assessment is considered a tax payment not made by the due date and is subject to IC 6-8.1-10 concerning the imposition of penalties and interest. The department shall send the person a notice of the proposed assessment through the United States mail.

~~(b)~~ **(c)** If the person has a surety bond guaranteeing payment of the tax for which the proposed assessment is made, the department shall furnish a copy of the proposed assessment to the surety. The notice of proposed assessment is prima facie evidence that the department's claim for the unpaid tax is valid. The burden of proving that the proposed assessment is wrong rests with the person against whom the proposed assessment is made.

~~(c)~~ **(d)** The notice shall state that the person has ~~sixty (60)~~ **thirty (30)** days from the date the notice is mailed to pay the assessment or to file a written protest. If the person files a protest and requires a hearing on the protest, the department shall:

- (1) set the hearing at the department's earliest convenient time; and
- (2) notify the person by United States mail of the time, date, and location of the hearing.

~~(d)~~ **(e)** The department may hold the hearing at the location of its choice within Indiana if that location complies with IC 6-8.1-3-8.5.

~~(e)~~ **(f)** No later than sixty (60) days after conducting a hearing on a protest, or after making a decision on a protest when no hearing is requested, the department shall issue a letter of findings and shall send a copy of the letter through the United States mail to the person who filed the protest and to the person's surety, if the surety was notified of the proposed assessment under subsection ~~(a)~~: **(b)**. The department may continue the hearing until a later date if the taxpayer presents additional information at the hearing or the taxpayer requests an opportunity to present additional information after the hearing.

~~(f)~~ **(g)** A person that disagrees with a decision in a letter of finding may request a rehearing not more than thirty (30) days after the date on which the letter of finding is issued by the department. The department shall consider the request and may grant the rehearing if the department reasonably believes that a rehearing would be in the best interests of the taxpayer and the state.

~~(g)~~ **(h)** If a person disagrees with a decision in a letter of finding, the person may appeal the decision to the tax court. However, the tax court does not have jurisdiction to hear an appeal that is filed more than ~~one hundred eighty (180)~~ **forty-five (45)** days after the date on which:

- (1) the letter of finding is issued by the department, **if the person does not make a timely request for a rehearing under subsection (g) on the letter of finding; or**
- (2) the department issues a denial of the person's timely request for a rehearing under subsection (g) on the letter of finding.

~~(f)~~ **(i)** The tax court shall hear an appeal under subsection ~~(g)~~ **(h)** de novo and without a jury. The tax court may do the following:

- (1) Uphold or deny any part of the assessment that is appealed.
- (2) Assess the court costs in a manner that the court believes to be equitable.
- (3) Enjoin the collection of a listed tax under IC 33-26-6-2.

~~(j)~~ **(j)** The department shall demand payment, as provided in IC 6-8.1-8-2(a), of any part of the proposed tax assessment, interest, and penalties that it finds owing because:

- (1) the person failed to properly respond within the ~~sixty (60)~~ **thirty (30)** day period;
- (2) the person requested a hearing but failed to appear at that hearing; or
- (3) after consideration of the evidence presented in the protest or hearing, the department finds that the person still owes tax.

~~(k)~~ **(k)** The department shall make the demand for payment in the manner provided in IC 6-8.1-8-2.

~~(l)~~ **(l)** Subsection ~~(a)~~ **(b)** does not apply to a motor carrier fuel tax return."
